

Nurse/Health Assist. Job Specific Narratives

See Time Surveying for Dummies pages 16-24 for a lot more narratives

Code 4 ~ (see Time Surveying for Dummies page 16 for more Code 4 narratives)

- After school, I contacted a teenager about the availability of Medi-Cal prenatal and well-baby care programs and services.
- During a staff meeting, I conducted a family planning health education outreach program to staff to help guide families to Medi-Cal services offered in the community.
- On Tuesday, I informed families on how to effectively access, use and maintain participation in all health resources under Medi-Cal/Healthy Families programs.

Code 6~ (see Time Surveying for Dummies page 18)

Code 8 ~ (see Time Surveying for Dummies page 19 for more Code 8 narratives)

- Each morning, I met with staff to coordinate the on-going M/C covered services of students as part of the managed care plan.
 - On Monday, I determined the needs of a student by interpreting results, gathering information, cums, health inserts and anecdotal notes to assure the M/C services being provided are adequate.
 - I spent Tuesday morning on the phone with several parents, discussing effectiveness of present medical managed care plan, revisions and coordination with their physician.
 - On Thursday, I consulted with the O.T. regarding the results from student's gait assessment and the coordination of M/C services.
 - During lunch, I followed up with the health assistant about the medical reports and changes made by student physician as part of the diabetic managed care plan.
 - On Friday, I phoned parent to discuss the effectiveness of medication and the next appointment with their physician to evaluate changes in M/C services.
 - Wednesday morning, I wrote anecdotal notes for a student's managed care plan to be shared with the psychologist for further changes in the student's M/C services
 - On 8/26/09, I reviewed the health information of a student to track progress and evaluate effectiveness of treatment plan prescribed by their physician.

Code 10 ~

- Monday morning, I arranged student transportation to dental appointment across town.
- After the IEP meeting, I arranged for student transportation to speech services.

Code 12 ~ (see Time Surveying for Dummies page 22)

Code 14 ~ (see Time Surveying for Dummies page 23 for more Code 14 narratives)

- Mon- Wed, I attended a nurse's conference to network with other nurses on the delivery of M/C services within schools and to enhance the identification of students needing M/C services along with expanding delivery of M/C services in the district.

Code 15 ~ (see Time Surveying for Dummies page 24)

Code 16 ~ (see Time Surveying for Dummies page 24 for more Code 16 narratives)

- Monday morning, I supervised health assistant, resulting in employee job performance evaluation
