

SERRF After School Program

"There Is No Place Like ♥ SERRF!"

CORE CULTURE MAP

Identity: To encourage, enrich and empower all stakeholders through a student-centered after school program.

Relationship Building -

All SERRF staff focuses on building relationships with students, parents, school staff and community by being open, cooperative, knowledgeable and supportive.

Consistency/Quality Program -

SERRF incorporates staff development/training opportunities, implementing learning strategies and curriculum that is aligned with CA-State Content Learning Standards, working collaboratively with school site personnel to focus on meeting student needs.

Safe Environment -

SERRF has developed and established policies and procedures for staff to utilize in communicating, implementing and responding to any and all safety issues.

Activities: Academic/Enrichment/Recreation -

Activities reflect a balance of qualities that encourage, enrich and empower academic success and emotional well-being.
