

Scatter Seeds of Kindness Wherever You Go

The Tehama County Department of Education provides support services for nearly 500 homeless and foster youth in Tehama County. These young people are in need of the basics of comfort and necessity that many of us take for granted. We ask that you scatter the seeds of kindness by contributing any item to Student Support Services. All items will be distributed to students in need during the upcoming holiday season. Some suggestions include:

Socks or underwear, bathrobes

Bedding, including sheets, pillowcases, blankets, or pillows

Sleeping bags

Food items or gift card to Food Maxx

WalMart gift card

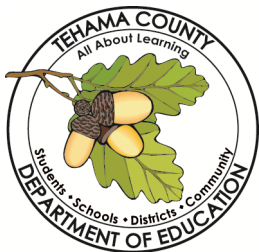

Jackets or sweatshirts

Sneakers

T-shirts, jeans

Items may be dropped off at ECE/Student Support Services.

For more information, call 528-7244.

Thank you for your generosity!
