RE: **All Call Message** Regarding the H1N1 Flu

It has come to our attention that some schools would like to send out an all call to the families within their district regarding the flu and how to report an ill child to the district. In cooperation with Public Health we have developed an "All Call" announcement for your convenience and to ensure continuity. If you have any questions regarding this announcement please contact Sharon Sinclair at 528-7374.

ALL CALL FOR SCHOOLS

Our local health department is requesting that when reporting your child's absence due to illness please state whether or not your child has any of the following symptoms:

Fever >100° with a cough, sore throat, and/ or muscle aches.
