### **School Description**

The Tehama County Juvenile Hall, Tehama Oaks High School, provides a standards-based educational program to all wards detained with the exception of high school graduates. The Tehama County Superintendent of Schools is the legal agent for administering the school. State adopted curriculum is used in all core classes including Math, English, Social Science, and Science. Students have one hour of Physical Education each school day. There are also opportunities for courses and activities which provide pre-employment skills, social skills, health, and fine arts. Educational programs are designed to meet the individual needs of all students while they are detained, using a balance of whole class, small group and one-on-one instruction along with independent learning in some academic classes.

#### **Mission Statement:**

The Mission of Tehama Oaks School is to provide a safe and productive learning environment that promotes growth in academic and social-emotional skills in order to prepare students for graduation and constructive futures. Opportunities to demonstrate critical thinking skills are incorporated into instruction with the goal that students will become self-sufficient, motivated, contributing members of society.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

Each student has access to current textbooks and instructional materials virtually at all times during their stay. The exception to this rule, for security reasons, is that students are only allowed a very select number of materials in their rooms. The school site is Williams Act compliant.

All the main textbooks and materials are standards-based and are on the adopted lists. There are some materials that are older and are for supplementary use such as vocabulary workbooks, the Numeracy Project (standards-based detailed and differentiated lesson plans), and the language program, which may not be State Board of Education approved. Because of their supplementary nature, they may never be considered for State Board approval

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

ELA	0	N/A	23	N/A	50	N/A
Math	0	N/A	13	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parent involvement is highly encouraged for students detained in the program. Parents have direct involvement in Individualized Educational Programs (IEP) meetings for special education students, and in Student Study Team (SST) meetings for general education students. Parent conferences are encouraged and occur based on parent request. Our School Counselor serves as a parent liaison. She makes contact with parents of students enrolled in our school program, offering updates on student progress at school. She collects feedback and answers questions from parents. Feedback is shared as stakeholder input for program improvement. A collaborative effort between the Tehama County Juvenile Hall and the Tehama County Department of Education (TCDE) is focused on a more comprehensive approach to parent outreach. The Juvenile Hall educational program is a significant part of the TCDE Local Control and Accountability Plan (LCAP).

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2020-2021)

The Tehama County Department of Education and the Tehama County Probation Department are committed to providing a safe and secure environment for students and employees. The juvenile facility is inspected for safety and security monthly by the Tehama County Probation management staff. The Fire Marshall conducts an inspection every two years and the Juvenile Justice Commission and the Grand Jury conduct annual inspections. Available on-site is a General Crisis Information and Emergency Procedures Manual for Tehama County Schools. Staff regularly receive safety training and briefings. The comprehensive safety plan was reviewed on November 5, 2020 and adopted by the Board on November 18th, 2020.. During the pandemic, special safety protocols have been established based on CDC recommendations, consultation with Public Health and mandates from CDE and our Governors. These protocols have been included in a Return to School plan approved by our local Public Health Officer. These safety protocols include social distancing, increased sanitation and masking, as well as testing for students and staff. New students to the facility are isolated in quarantine for two weeks.

**Suspensions and Expulsions**  
(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	0.0	0.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**  
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	3	3

Weekly minimum days afford staff opportunity to share instructional expertise, enjoy presentations on various topics such as literacy and technology training. Instructional coaching is provided by the Educational Support Services Division of the Tehama County Department of Education. A particular focus has included participation in the TCDE SEES grant (Science and Environmental Engineering for Secondary) emphasizing Science careers and teacher coaching. The chosen professional development is driven by the recent changes in California Standards. Additional training during the 2017/2018 school year have included TEAM training, MakerSpace training and training on the Commercial Sexual Exploitation of Children. During 2018, staff attended the National Trauma Informed Schools Conference. Social Emotional Learning training was attended by all staff in Fall 2019 as well as History and Social Science Training. NGSS Training will be attended in Spring 2020. The focus for training during the 2020/2021 school year has been Social-Emotional Learning with staff attending training on this topic.

**Career Technical Education Programs**

This facility court school does not yet have any CTE programs. Vocational education is provided in the classroom to all students. A college-career counselor meets with students to support them academic and life planning. Support is provided to complete FAFSA and College application High School Seniors. Workshops are provided to students to assist them in career searches and research as well as college options, applications, and other areas of need for future planning. Students are referred to a mentoring program to support them in their future planning and supporting them in taking those needed steps.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
