## Administration of Bereavement Leave

(Reference: Policy on Bereavement Leave; Policy on Sick leave)

### GENERAL INFORMATION

- Bereavement leave applies to all regular employees, except contractual and temporary employees, and substitutes.
- Bereavement leave, used for death in the immediate family, is separate from sick leave. Bereavement leave effectively is leave granted to an employee, by the Education Code, in the event of the death of certain family members.
- An employee may use 3 days (5 days if out of state travel is required) of bereavement leave, upon the death of the following immediate family members, without being charged against the employee's leave balances.

Mother, father, grandmother, grandfather, aunt, uncle, niece, nephew, or grandchild of the employee or spouse of the employee, or the spouse, son, son-in-law, daughter, daughter-in-law, brother or sister, brother-in-law or sister-in-law, of the employee or any relative living in the immediate household of the employee. (Mother and father are defined to include stepmother and stepfather; son and daughter are defined to include stepson and stepdaughter)

- If additional leave is required, up to seven days of personal necessity may be used, if available.
- If an employee requires additional time beyond what is allowed under bereavement leave and sick leave personal necessity, vacation may be used, if available.

### EMPLOYEE'S RESPONSIBILITY

- The employee must notify his or her supervisor immediately of the need for bereavement leave.
- The employee must complete the Bereavement Leave Request Form and submit it to the supervisor for approval.
- The employee shall use bereavement leave in Aesop for the days covered by bereavement leave policy.
- The employee must provide the completed and approved Bereavement Leave Request Form to his/her HRS for leave to be paid. Leave will be unpaid if completed and approved form is not received by HRS.

### SUPERVISOR'S RESPONSIBILITY

- The supervisor is responsible for approving the use of bereavement leave as appropriate.
- The supervisor is to ensure that the proper coding is used in Aesop.
- The supervisor is to ensure that the completed and approved Bereavement Leave Request Form is submitted to the Payroll.

### HRS/PAYROLL

- HRS will approve bereavement leave form and forward to payroll.
- HRS will notify payroll to dock any bereavement leave for which an approved bereavement leave form is not received.

### ENFORCEMENT

Any employee who abuses this policy or fails to provide completed form for bereavement leave already taken will be subject to disciplinary action, up to and including the termination of employment.
