TEHAMA COUNTY DEPARTMENT OF EDUCATION

Red Bluff, California

COMPLAINTS CONCERNING DISCRIMINATION IN EMPLOYMENT

Complaint Procedure

Any complaint by an employee or job applicant alleging discrimination or harassment shall be addressed in accordance with the following procedures:

1. **Notice and Receipt of Complaint:** Any employee or job applicant (the "complainant") who believes he/she has been subjected to prohibited discrimination or harassment shall promptly inform his/her supervisor, the Tehama County Department of Education Coordinator for Nondiscrimination in Employment, or the Tehama County Superintendent of Schools.

The complainant may file a written complaint in accordance with this procedure, or if he/she is an employee, may first attempt to resolve the situation informally with his/her supervisor.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the Coordinator, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, other evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

2. **Investigation Process:** The Coordinator shall initiate an impartial investigation of an allegation of discrimination or harassment within five school days of receiving notice of the behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The Coordinator shall meet with the complainant to describe the Department's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The Coordinator shall inform the complainant that the allegations will be kept confidential to the extent possible, but that some information may be revealed as necessary to conduct an effective investigation.

If the Coordinator determines that a detailed fact-finding investigation is necessary, he/she shall begin the investigation immediately. As part of this investigation, the Coordinator should interview the complainant, the person accused, and other persons who could be expected to have relevant information.

COMPLAINTS CONCERNING DISCRIMINATION IN EMPLOYMENT
(continued)

When necessary to carry out his/her investigation or to protect employee or student safety, the Coordinator may discuss the complaint with the County Superintendent or designee, Department legal counsel, or the Department's risk manager.

The Coordinator also shall determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed to ensure that further incidents do not occur. The Coordinator shall ensure that such interim measures do not constitute retaliation.

3. **Written Report on Findings and Corrective Action:** No more than 30 days after receiving the complaint, the Coordinator shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Coordinator shall notify the complainant and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report also shall include any corrective action(s) that have been or will be taken to address the behavior, correct the effect on the complainant, and ensure that retaliation or further discrimination or harassment does not occur.

The report shall be presented to the complainant, the person accused, and the County Superintendent or designee.

Other Remedies

In addition to filing a discrimination or harassment complaint with the Department, a person may also file a complaint with either the California Department of Fair Employment and Housing (DFEH) or the Equal Employment Opportunity Commission (EEOC). The time limits for filing such complaints are as follows:

1. To file a valid complaint with DFEH, within one year of the alleged discriminatory act(s), unless an exception exists pursuant to Government Code 12960 (Government Code 12960)
2. To file a valid complaint directly with EEOC, within 180 days of the alleged discriminatory act(s) (42 USC 2000e-5)

COMPLAINTS CONCERNING DISCRIMINATION IN EMPLOYMENT
(continued)

3. To file a valid complaint with EEOC after first filing a complaint with DFEH, within 300 days of the alleged discriminatory act(s) or within 30 days after the termination of proceedings by DFEH, whichever is earlier (42 USC 2000e-5)

REASONABLE ACCOMMODATION

Except when undue hardship would result to the Tehama County Department of Education, the Tehama County Superintendent of Schools or designee shall provide reasonable accommodation:

1. In the job application process, to any qualified job applicant with a disability
2. To enable any qualified employee with a disability to perform the essential functions of the position he/she holds or desires to hold or to enjoy equal benefits or other terms, conditions, and privileges of employment as other similarly situated employees without disabilities

The Department designates the position specified in SP 4030 - Nondiscrimination in Employment as the coordinator of its efforts to comply with the Americans with Disabilities Act (ADA) and to investigate any and all related complaints.

Definitions

Disability, with respect to an individual, is defined as any of the following: (Government Code 12926; 20 CFR 1630.2)

1. A physical or mental impairment that limits one or more of the major life activities
2. A record of such an impairment
3. Being regarded as having such an impairment

Limits shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics or reasonable accommodations, unless the mitigating measure itself limits a major life activity. (Government Code 12926)

Essential functions are the fundamental job duties of the position the individual with a disability holds or desires. The term does not include the marginal functions of the position. (Government Code 12926; 29 CFR 1630.2)

Reasonable accommodation means: (Government Code 12926; 29 CFR 1630.2)

1. For a qualified job applicant with a disability, modifications or adjustments to the job application process that enable him/her to be considered for the position he/she desires

REASONABLE ACCOMMODATION (continued)

2. For a qualified employee with a disability, modifications or adjustments to the work environment, or to the manner or circumstances under which the position the employee holds or desires is customarily performed, that enable him/her to perform the essential functions of that position or to enjoy equal benefits and privileges of employment as are enjoyed by the Department's other similarly situated employees without disabilities

Qualified individual with a disability means a job applicant or employee with a disability who: (29 CFR 1630.15, 1630.2)

1. Satisfies the requisite skill, experience, education, and other job-related requirements of the employment position he/she holds or desires
2. Can perform the essential functions of the position with or without reasonable accommodation
3. Would not pose a significant risk of substantial harm, which cannot be eliminated or reduced by reasonable accommodation, to himself/herself or others in the job he/she holds or desires

Undue hardship is a determination based on an individualized assessment of current circumstances that shows that the provision of a specific accommodation would cause significant difficulty or expense to the Department. (29 CFR 1630.2)

Request for Reasonable Accommodation

When requesting reasonable accommodation, an employee or his/her representative shall inform the employee's supervisor that he/she needs a change at work for a reason related to a medical condition. The supervisor shall inform the Coordinator of the employee's request as soon as practicable.

When requesting reasonable accommodation for the hiring process, a job applicant shall inform the Coordinator that he/she will need a reasonable accommodation during the process.

When the disability or the need for accommodation is not obvious, the Coordinator may ask the employee to supply reasonable documentation about his/her disability. In requesting this documentation, the Coordinator shall specify the types of information that are being sought about the employee's condition, the employee's functional limitations, and the need for reasonable accommodation. The employee may be asked to sign a limited release allowing the coordinator to submit a list of specific questions to his/her health care or vocational professional.

REASONABLE ACCOMMODATION (continued)

If the documentation submitted by the employee does not indicate the existence of a qualifying disability or explain the need for reasonable accommodation, the Coordinator shall request additional documentation that specifies the missing information. If the employee does not submit such additional documentation in a timely manner, the Coordinator may require him/her to submit to an examination by a health care professional selected and paid for by the Department.

The Department may make a medical or psychological inquiry of a job applicant or require him/her to submit to a medical or psychological examination after he/she has been given a conditional offer of employment but before the commencement of his/her job duties, provided the inquiry or examination is job-related, consistent with business necessity, and required for all incoming employees in the same job classification. (Government Code 12940)

The Coordinator shall not request any job applicant's or employee's genetic information except as authorized by law. (42 USC 2000ff-1, 2000ff-5)

In accordance with law, the Coordinator shall take steps to ensure the confidentiality of information related to medical conditions or history. As applicable, he/she shall notify the supervisor or manager of the qualified individual of any reasonable accommodation granted the individual and may notify first aid and safety personnel when the disability of the qualified individual may require emergency treatment. (42 USC 12112)

Granting Reasonable Accommodation

Upon receiving a request for reasonable accommodation from a qualified individual with a disability, the Coordinator shall:

1. Determine the essential functions of the job involved
2. Engage in an informal, interactive process with the individual to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential accommodations, and assess their effectiveness
3. Develop a plan for reasonable accommodation which will enable the individual to perform the essential functions of the job or gain equal access to a benefit or privilege of employment without imposing undue hardship on the Department

REASONABLE ACCOMMODATION (continued)

A determination of undue hardship should be based on several factors, including: (29 CFR 1630.2)

- a. The nature and net cost of the accommodation needed, taking into consideration the availability of tax credits and deductions and/or outside funding
- b. The overall financial resources of the facility making the accommodation, the number of persons employed at this facility, and the effect on expenses and resources of the facility
- c. The overall financial resources, number of employees, and the number, type, and location of facilities of the Department
- d. The type of operation of the Department, including the composition, structure, and functions of the workforce and the geographic separateness and administrative or fiscal relationship of the facility making the accommodation to other Department facilities
- e. The impact of the accommodation on the operation of the facility, including the impact on the ability of other employees to perform their duties and the impact on the facility's ability to conduct business

The Coordinator may confer with the site administrator, any medical advisor chosen by the Department, and/or other Department staff before making a final decision as to the accommodation.

Reasonable Accommodation Committee

The Coordinator may appoint a committee to review or assist in the development of appropriate plans to reasonably accommodate qualified individuals who request modifications or adjustments in their work duties or environment because of known physical or mental disabilities.

Committee members shall be selected on the basis of their knowledge of the specific functions and duties required in the position, the physical work environment, available accommodations, and other relevant issues. The committee may include a Department administrator, site administrator, medical advisor or rehabilitation specialist, and as necessary, a certificated and/or classified employee. Membership may change on a case-by-case basis.

REASONABLE ACCOMMODATION (continued)

At the Coordinator's discretion, the employee or applicant requesting accommodation may participate in the committee's meetings. If the employee or applicant is excluded from the committee's meetings, the Coordinator shall communicate with him/her so that he/she has the opportunity to interact and contribute to planning the reasonable accommodation.

Appeal Process

Any qualified individual with a disability who is not satisfied with the decision of the Coordinator may appeal in writing to the County Superintendent or designee. This appeal shall be made within 10 working days of receiving the decision and shall include:

1. A clear, concise statement of the reasons for the appeal
2. A statement of the specific remedy sought

The County Superintendent or designee shall consult with the Coordinator and review the appeal, together with any available supporting documents. The County Superintendent or designee shall give the individual his/her decision within 15 working days of receiving the appeal.

Any further appeal for reasonable accommodation shall be considered a complaint concerning discrimination in employment and may be taken to the County Superintendent in accordance with the Department's procedure for such complaints.

However, a teacher awarded a Certificate of Completion of Staff Development for SDAIE pursuant to Education Code 44253.11 shall be considered certified and competent to provide ELD instruction. (Education Code 44253.11)

A teacher may be provisionally assigned to provide instruction for ELD or SDAIE during the period that he/she is pursuing training to complete a Certificate of Completion of Staff Development pursuant to Education Code 44253.10 or 44253.11.

HEALTH EXAMINATIONS

Tuberculosis Tests

No applicant shall be initially employed in a classified or certificated position unless, within the past 60 days, he/she has submitted to an intradermal or other tuberculin test licensed by the Food and Drug Administration and, if that test was positive, has subsequently obtained an X-ray of the lungs. The applicant shall submit to the Tehama County Department of Education a certificate signed by the examining licensed physician indicating that he/she is free of active tuberculosis. (Education Code 49406; 5 CCR 5503)

The cost of the pre-employment tuberculosis examination shall be paid by the applicant.

An applicant who was previously employed in another California school district may fulfill the tuberculosis examination requirement either by producing a certificate showing that he/she was examined within the last four years and found to be free of active tuberculosis or by having his/her previous school district employer verify that it has on file a certificate which contains that evidence. (Education Code 49406)

Every Department employee who tests negative shall undergo a tuberculosis examination at least once every four years, or more often if so directed by the Tehama County Superintendent of Schools upon recommendation of the county health officer, for as long as the employee's test remains negative. An employee with a documented positive test for tuberculosis infection shall no longer be required to submit to the examination but shall be referred to the county health officer within 30 days of the examination to determine the need for follow-up care. (Education Code 49406)

Tuberculosis tests for current employees shall be provided by the Department or at Department expense. (Education Code 44839, 45122, 49406) Reimbursement to any employee shall not exceed the amount charged by the Tehama County Health Department for the skin test.

If an employee's religious belief prevents him/her from undergoing a tuberculosis examination, the employee shall file an affidavit stating that he/she adheres to the faith or teachings of a well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles, depends for healing upon prayer in the practice of religion and that, to the best of his/her knowledge or belief, he/she is free from active tuberculosis. In order to exempt the individual, the County Superintendent shall determine by resolution, after a hearing, that the health of students would not be jeopardized. (Education Code 49406)

The County Superintendent or designee may exempt from the tuberculosis testing requirement classified employees who are employed for less than a school year if their functions do not require frequent or prolonged contact with students. (Education Code 49406)

Medical Certification for Communicable Diseases for Certificated Employees

The County Superintendent shall not fill a position requiring certification with an applicant who has not previously been employed in a certificated position in California or a retirant who has not been employed as a retirant, unless the Department has on file a medical certification completed and submitted by a physician, physician assistant, registered nurse, or commissioned medical officer. (Education Code 44839 and 44839.5)

The medical certification shall certify that the applicant or retirant is free from any disabling disease which would render him/her unfit to instruct or associate with children. The medical examination referred to in the certificate must have been conducted within six months of the date that the certificate is filed. (Education Code 44839, 44839.5; 5 CCR 5503)

Applicants and retirants shall pay for the cost of obtaining the medical certification. (Education Code 44849, 44839.5)

The County Superintendent may require certificated employees and/or retirants to undergo, at Department expense, a periodic medical examination pursuant to Education Code 44839 or 44839.5 to determine that they are free from any communicable disease making them unfit to instruct or associate with children. (Education Code 44839, 44839.5)

DRUG AND ALCOHOL TESTING CONSORTIUM

Testing Consortium

The school districts of the Tehama County Department of Education ("TCDE" or "the Department") are firmly committed to the safe transportation of students. In addition, an employee substance abuse testing program is mandated for all "motor carriers" regulated by the Federal Highway Administration (FHWA) of the U.S. Department of Transportation (DOT). For these reasons, the school districts of the TCDE have formed a consortium to facilitate compliance with the FHWA regulation, 49 CFR Part 382, "Controlled Substances & Alcohol Use and Testing."

The school districts of this Consortium recognize each individual's value and contribution to the services the districts provide to the public. Therefore, this Policy includes communication of resources for employees who voluntarily seek assistance before an alcohol or drug dependency problem affects their work performance or is discovered through a drug or alcohol test (see "Employee Assistance Program and Self-Referral" on page 1).

This Drug and Alcohol Testing Consortium Policy ("Policy") is intended to comply with FHWA regulations, changes in which will supersede specific policy provisions. The individual school districts retain the sole and exclusive right to administer and interpret this Policy.

DRUG AND ALCOHOL TESTING CONSORTIUM

Who Will Be Tested and When

As per Board Policy 4280, covered drivers are defined as those who are required to hold commercial driver's licenses for their jobs. Such applicants and employees fall under the FHWA drug and alcohol testing regulations, as indicated in BP 4280. Generally, covered drivers are operators of commercial motor vehicles which 1) are greater than 26,000 pounds GVWR, 2) carry hazardous materials in placard able quantities, or 3) carry 16 or more passengers, including the driver.

Covered drivers may be tested for drugs or alcohol whenever they are on duty. For the purposes of the Policy, "on duty" is defined as any time on the job, since covered drivers are expected to be ready to perform safety-sensitive driving functions on short notice. Conversely, time spent in association with drug testing specimen collection and/or alcohol testing is considered "on-duty" time.

Education and Training

Each district will make information available to employees on the Consortium Policy; the dangers of drug and alcohol abuse in the workplace; and drug counseling, rehabilitation, and employee assistance resources. Employees will be required to sign a form acknowledging a receipt of a summary of, and their responsibility to read, this information.

At the time of hire, new covered drivers will receive specific information regarding the Consortium Policy and be informed of their responsibilities with respect to compliance with federal drug and alcohol testing regulations.

Supervisors of covered drivers who may be required to make "reasonable suspicion" determinations will receive training on recognition of the physical, behavioral, speech and performance indicators of probable alcohol and controlled substances use. The duration of the training will be at least 60 minutes each for 1) alcohol and 2) controlled substances use recognition.

Employee Assistance Program and Self-Referral

The school districts of this Consortium will support treatment efforts for covered drivers with drug/alcohol problems who, prior to official discovery, voluntarily seek assistance.

When a covered driver voluntarily reports a drug/alcohol problem BEFORE it is discovered through a drug or alcohol test, she/he will immediately be granted a leave of absence in accordance with applicable employment policies. The employee will be required to enter into a "last chance" agreement (see page 12) in order to return to work.

DRUG AND ALCOHOL TESTING CONSORTIUM

Covered drivers who voluntarily seek assistance will be permitted job protection and rehabilitation only one time. Any subsequent involvement in a drug/alcohol or related incident following return to work may result in termination of employment.

The school districts' financial participation in rehabilitation will be limited to existing leave and medical benefits provided under employment policies applicable to the driver at that time.

Although it is the intent of the Policy to ensure that drivers who have a drinking or drug problem will not have their jobs jeopardized by a request for help, satisfactory job performance is mandatory. Drivers have the primary responsibility for seeking help and for maintaining a treatment program as necessary. Employees seeking treatment will not necessarily avoid disciplinary action if they do not meet satisfactory job performance standards and other conditions of employment.

Prescription Medications

UNDER AUTHORITY INDEPENDENT OF THE DOT, covered drivers are specifically required to notify their immediate supervisors when they are taking medications with warning labels (for example, relating to the operation of vehicles, heavy equipment, or machinery). Failure to notify management of the use of medication that could affect performance on the job can lead to disciplinary action, up to and including termination.

Consortium members do not request information about the condition for which medication is prescribed, only that it has been prescribed. In some cases, it may be necessary to temporarily re-assign covered drivers until the course of medication is completed.

If a driver is in doubt about a medication's effect on work performance, she/he should ask the prescribing physician for clarification. Non-compliance with the recommended dosage of prescription medications which results in an incident or accident will be considered a violation of the Policy.

Prohibitions

FHWA REGULATIONS SPECIFY the following prohibitions:

1. Covered drivers must not use alcohol within four (4) hours prior to reporting for duty ("pre-duty use").

DRUG AND ALCOHOL TESTING CONSORTIUM

2. Covered drivers are prohibited from possessing alcohol while on duty (unless the alcohol is manifested); from using alcohol while on duty; and from having alcohol present in their systems at a level of 0.02 g/210 L or greater while on duty. Those with levels of 0.02 or greater as demonstrated by breath alcohol testing are subject to immediate removal from duty for a minimum of 24 hours (see also "Discipline" section, page 11).
3. Covered drivers are prohibited from using alcohol after an on-the-job accident until:
 - a. The Anti Drug Program Manager or his/her designated alternate has determined that alcohol testing is not required,
 - b. A breath alcohol test has been completed, OR
 - c. Eight (8) hours have passed since the accident.
4. Refusal by a covered driver to submit a urine or breath specimen when required by federal regulations will have the same consequences as a test result of 0.04 or greater (see "Discipline" section, page 11), and result in the immediate removal of the employee from duty.

UNDER AUTHORITY INDEPENDENT OF THE DOT, the Policy specifically prohibits the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances in the workplace, as described in the Drug-Free Workplace Act of 1988. It also prohibits employees from reporting for duty or being on duty with evidence of alcohol or illegal drugs, or illegally obtained prescription medications, in their systems. Violation of these prohibitions will lead to administrative action, up to and including termination of employment.

Investigation of Previous Testing

As a condition of employment, applicants for covered driver positions will be required to authorize previous employers to release specific information regarding previous alcohol and drug tests. Applicant will authorize FMCSA – Clearinghouse to conduct a query as part of pre-employment driver investigation. If an applicant can document an alcohol test performed under FHWA regulations, with a result less than 0.04 within the six months prior to the application date, no pre-employment alcohol test will be required.

Similarly, no pre-employment drug test will be required if an applicant for a covered driver position can document:

DRUG AND ALCOHOL TESTING CONSORTIUM

- Participation in a drug testing program which meets FHWA requirements during the 30 days prior to application AND
 - 1) a negative drug test within the six months prior to application OR
 - 2) participation in a random drug testing program for twelve months prior to application

AND

- No violation of alcohol or controlled substance prohibitions within the six months prior to application.

The school districts of this Consortium reserve the right to require applicants to undergo pre-employment drug and/or alcohol testing, whether or not such documentation is provided.

Types Of Drug And Alcohol Testing Required

The following are occasions for drug and alcohol testing under the Policy:

Pre-employment Testing

Pre-employment drug testing is required for all covered driver positions, except as noted above ("Investigation of Previous Testing"). A notice will be posted that drug testing is a requirement of the application process. Anyone who does not wish to proceed with the application may withdraw without question.

A drug test result which is verified as positive for unauthorized use of controlled substances will disqualify the applicant for the covered driver position.

Random Testing

Definition of Random Test: A random test is a test that is unannounced, and where every person in the random selection "pool" has an equal chance of being selected for testing each time a selection occurs. Random testing is considered to be an effective deterrent to substance abuse. Covered drivers are required to be randomly tested under DOT regulations.

Method of Random Selection: The Consortium has contracted with an outside drug testing management service (see Appendix D) to perform computerized random selections on its covered employees. Selections occur approximately once per quarter; testing days are selected randomly throughout the period. Selections are therefore spread reasonably throughout each year.

DRUG AND ALCOHOL TESTING CONSORTIUM

A number of drug tests equal to at least 50% of the number of individuals in the Consortium will be completed annually, as required by DOT drug testing regulations; a number of alcohol tests equal to at least 25% of the number of individuals in the Consortium will be completed annually.

Procedure for Notification and Specimen Collection/Testing:

1. The drug testing management service will maintain a secure data base of individuals covered by the Federal Highway Administration's drug and alcohol testing regulations.
2. On a randomly selected date, the service will transmit a coded list of individuals who have been selected for testing to the Anti Drug Program Manager at each affected school district.
3. The Anti Drug Program Manager or his/her designated representative will notify the individual in person or by telephone that she/he has been selected to provide a urine and/or breath specimen for testing. The date and time of notification will be recorded on the transmitted, coded list.
4. IMMEDIATELY after being notified, each individual selected for testing must proceed to a specimen collection and/or alcohol testing facility. Individuals in remote locations will be directed to the closest competent local facility so that specimen collection and/or breath testing are completed expeditiously.

Reasonable Suspicion Testing

Reasonable suspicion/probable cause testing provides school district personnel with a tool (in conjunction with supervisor training on the signs and symptoms of drug use and/or alcohol misuse) to identify drug-affected employees who may pose a danger to themselves and others in their job performance. Employees may be at work in a condition that raises concern regarding their safety or productivity. Supervisors must then make a decision as to whether there is reason to believe an employee is using or has used a prohibited drug or alcohol in violation of the Consortium Policy.

The decision to test for drugs or alcohol must be based on a reasonable and articulable belief that the employee is using a prohibited drug, or has used alcohol in violation of the prohibitions stated above, on the basis of specific, contemporaneous physical, behavioral, or performance indicators of probable drug use and/or alcohol misuse. Observations indicating possible alcohol misuse must be made just before, while, or just after the employee performs a covered function, and must be documented. If at all possible, two supervisors, at least one of whom is trained in the detection of the possible symptoms of drug use and/or alcohol misuse, shall substantiate and concur in the decision to test the employee; however, a single supervisor may make a reasonable suspicion determination.

DRUG AND ALCOHOL TESTING CONSORTIUM

Employees **MUST BE ACCOMPANIED** to the alcohol testing/specimen collection site(s). Drug or alcohol testing must take place **AS SOON AS POSSIBLE** after the observations leading to testing. Specimen collection for drug testing must take place within 32 hours. Alcohol testing must take place within eight (8) hours of the decision to test. School district employees will not be permitted to conduct alcohol testing under the Policy. Under authority independent of the DOT, employees who are required to undergo reasonable suspicion testing will be suspended with pay pending receipt of the test results (not fewer than 8 hours following decision to test).

If required alcohol testing is not performed within two (2) hours of the decision to test, the school district involved in the incident will document the reason for the delay. If required alcohol testing is not performed within eight (8) hours of the decision to test, the school district will cease attempts to have the driver tested for alcohol and document the reason for failure to test.

Whether or not an alcohol test can be performed, if a school district representative believes that a driver is under the influence of or impaired by alcohol, as shown by behavioral, speech or performance indicators of alcohol misuse, she/he must remove the employee from covered functions for eight (8) hours (suspension with pay). However, no other disciplinary action will occur in connection with the observation in the absence of a breath alcohol test.

Supervisors who may need to make reasonable suspicion/probable cause determinations under the Policy will undergo at least two (2) hours of training on specific physical, behavioral, and performance indicators of probable drug use and of alcohol misuse (see Appendix A).

Post-accident Testing

A reportable accident under Federal Highway Administration regulations is defined an accident in which a covered driver was operating a commercial motor vehicle and in which:

1. A fatality occurred; or
2. The driver received a citation for a moving traffic violation **AND** a person involved in the accident needed medical care away from the scene of the accident;
or
3. The driver received a citation for a moving traffic violation **AND** one or more vehicles involved in the accident needed to be towed from the scene of the accident

DRUG AND ALCOHOL TESTING CONSORTIUM

UNDER FHWA REGULATIONS, employees involved in a reportable accident are required to be:

- Tested for alcohol as soon as possible, but in no case later than 8 hours after the incident.
- Drug tested as soon as possible, but in no case later than 32 hours after the incident.

An employee who is seriously injured and cannot provide a specimen for testing may be requested to authorize the release of relevant hospital reports and other documentation that would indicate whether there were any controlled substances in his or her system at the time of the incident.

The school districts of the Consortium will provide their covered drivers with any necessary information and procedures to enable them to meet federal requirements for post-accident testing.

Return To Duty and Follow-up Testing

FHWA regulations require return to duty and follow-up drug and/or alcohol testing when a covered driver has been evaluated by a Substance Abuse Professional and has been found to need assistance with resolving his or her drug abuse and/or alcohol misuse problem. Under these conditions, a negative drug and/or alcohol test is required prior to return to duty and at least six (6) follow-up tests are required during the twelve (12) months following return to duty. Follow-up testing may continue for no longer than sixty months following return to duty.

Under the Consortium Policy, there will be no return to duty or follow up testing under Federal Highway Administration regulations, since termination of employment is the consequence for a positive drug test or other prohibited behavior. Return to duty and follow-up testing may occur UNDER AUTHORITY INDEPENDENT OF THE DOT in connection with voluntary requests for assistance and subsequent return to work (see "Employee Assistance Program and Self-Referral", page 1).

Drug And Alcohol Testing Procedures

Drug Testing

1. Urine specimen collection for drug testing will be performed by qualified individuals in conformance with current standards of practice, using chain of custody procedures specified by FHWA regulations (49 CFR Part 40) and with respect for the privacy and dignity of the person giving the specimen. Drug test specimens will be collected to provide at least 30 mL of urine in a "primary specimen" shipping bottle and at least 15 mL of urine in a "split specimen" shipping bottle, as described in Appendix B.

DRUG AND ALCOHOL TESTING CONSORTIUM

2. Drug testing will be performed only by laboratories certified by the Substance Abuse and Mental Health Administration (SAMHSA) of the U.S. Department of Health and Human Services (previously "NIDA"). The Consortium's primary drug testing laboratories are given in Appendix D.
3. When an initial screening test for drugs is positive, a second, confirmatory test will automatically be performed. Confirmed positive drug tests will be reported by the testing laboratory to the MRO for verification (see "Drug Test Results Review," below).
4. As a quality assurance measure, the Consortium's drug testing management service will submit at least 3 blind samples to the certified laboratory for every 100 applicant/employee samples submitted as required by DOT regulations (49 CFR Part 40). A summary of the results of this quality assurance program will be provided to the school districts of the Consortium annually.

Breath Alcohol Testing

1. Breath alcohol testing will be performed only by qualified Breath Alcohol Technicians (see Appendix C). Testing will be conducted using evidential breath alcohol testing devices listed on the Conforming Products List of the National Highway Traffic Safety Administration.
2. Breath alcohol tests with results below 0.02 require no further action.
3. Tests with results of 0.02 or above will be confirmed as follows:
 - a. The individual being tested is instructed not to smoke, use mouthwash, drink or eat for a period of 15 minutes.
 - b. Within 20 minutes of completion of the initial screening test, a confirmatory breath test is conducted per 49 CFR Part 40. The result is recorded in the "Confirmation Test Results" section of the Alcohol Test Form.
4. If the result of the confirmatory breath alcohol test is 0.02 or greater, the Breath Alcohol Technician must immediately notify the Anti Drug Program Manager or his/her designated representative, who will arrange for transportation of the individual from the alcohol testing site. The Breath Alcohol Technician will then forward a copy of the Alcohol Test Form to the Anti Drug Program Manager.

DRUG AND ALCOHOL TESTING CONSORTIUM

Drug Test Results Review

A drug test result on a covered driver will be considered positive **ONLY** if it has tested positive initially, been confirmed positive by gas chromatography-mass spectrometry (GC-MS), and been reviewed and verified by the Medical Review Officer (MRO).

A **POSITIVE** drug test result may result from detection of any one or more of the following classes of drugs:

Substance or Class	Initial Screening Cut-off	Confirmation Cut-Off
Amphetamines	1000 ng/mL	500 ng/mL
Cocaine	200 ng/mL	150 ng/mL (1)
Marijuana (THC)	50 ng/mL	15 ng/mL (2)
Opiates	300 ng/mL	300 ng/mL
Phencyclidine (PCP)	25 ng/mL	25 ng/mL

(1) as benzoylecgonine

(2) confirmation as 9-carboxy THC

A confirmed positive test from a certified laboratory does not automatically identify an employee or applicant as having used drugs in violation of a DOT regulation. The MRO brings detailed knowledge of possible alternate medical explanations to his or her review of the test results. This review is performed by the MRO prior to the transmission of results to the school districts.

Medical Review Officer Role

The MRO is a consulting physician who is a licensed doctor of medicine or osteopathy with knowledge of substance abuse disorders, symptoms, treatment, and toxicology. The MRO's primary function is to review, interpret and report positive test results of the applicant or employee. The MRO or his/her authorized representative will also report negative test results.

Before reporting a positive drug result on a covered driver to a school district of the Consortium, the MRO will give the "donor" (applicant or employee) a chance to discuss it. If a prescription drug is involved, the donor will be asked to provide the name of the medication and the prescribing doctor's name for verification. The MRO may review the donor's medical history, any relevant biomedical factors, and medical records made available by the donor to determine whether a positive test resulted from legally prescribed medication before verifying a test result as "positive" or "negative."

DRUG AND ALCOHOL TESTING CONSORTIUM

The MRO may communicate a positive result on a covered donor to the school districts of the Consortium if:

1. The donor has told the MRO or his authorized representative that she/he does not wish to discuss the results of the test; or
2. The MRO has spoken with the donor, and has concluded that the positive drug test result indicates unauthorized use of a controlled substance; or
3. The MRO can't reach the donor, and has asked the appropriate Anti drug Program Manager to contact the donor and relay the message to contact the MRO; but the donor has not responded within five days of documented receipt of the message.

NOTE: If a test is verified positive under the latter circumstances, the donor may give the MRO information documenting that serious illness, injury, or other circumstances unavoidably prevented him or her from contacting the MRO. On the basis of this information, the MRO may re-open the verification, allowing the donor to present information concerning a legitimate explanation for the positive test. If the MRO concludes that there is a legitimate explanation, the MRO shall verify the test as negative.

Upon verifying a test result as positive, the MRO will inform the donor of the option for having the "split" portion of his or her specimen tested. The donor must notify the MRO of a desire to exercise this option within 72 hours of being notified of the positive result, at which time the MRO will direct the testing laboratory to ship the "split" specimen to a second SAMHSA-certified laboratory, which the donor may choose from a list of available labs.

Payment for testing of the "split" specimen must be presented to the MRO or his/her designated representative in advance. If the result of the "split" specimen analysis is negative, the MRO will cancel the test and the school district will reimburse the employee for the costs associated with the analysis.

The MRO will not delay reporting of a verified positive test result pending "split" specimen testing.

Communication of Results

The MRO or his/her designated representative will report test results ONLY to individuals authorized to receive them. Confidentiality will be strictly maintained. If the result is positive, the MRO or his/her authorized representative will report the identity of the controlled substance

DRUG AND ALCOHOL TESTING CONSORTIUM

Employees and applicants may obtain copies of their test results by requesting them in writing from the MRO within 60 days of being notified of the results.

Failure To Cooperate

Failure to cooperate with any aspect of the Policy, including but not limited to falsifying or attempting to falsify test results or specimens, refusing to cooperate in testing or searches, or impeding drug investigations will subject the employee to disciplinary action, up to and including discharge. Any covered driver who refuses to take a drug or alcohol test to comply with FHWA regulations (49 CFR Part 382) will be immediately removed from duty as required by these federal regulations.

Disciplinary Action And Procedures

1. An otherwise qualified applicant for a covered driver position whose drug test results are negative and/or who has documented satisfactory participation in a previous employer's drug and alcohol testing program will be considered qualified for the position offered. Applicants with verified positive drug test results will be considered ineligible for the position.

NOTE: If an applicant's records from previous employers demonstrate evidence that he/she has violated FHWA drug/alcohol prohibitions, the applicant will be required to complete requirements for return to duty as defined by FHWA regulations, at his/her own expense, in order to be eligible for a covered driver position for the school districts of this Consortium. Any follow-up testing conducted during such a driver's employment with the school districts will be at his or her expense.

2. Any covered driver found to be in violation of this Drug and Alcohol Testing Policy will be discharged. Violations include:
 - a. Alcohol possession or use in violation of the prohibitions stated in the Policy (e.g. pre-duty, post-accident; see page 3)
 - b. An alcohol test result of 0.04 or greater
 - c. A verified positive drug test result
 - d. Refusal to test or to cooperate
3. A covered driver determined to have evidence of alcohol in his or her system below 0.04 will be subject to prompt disciplinary action.

DRUG AND ALCOHOL TESTING CONSORTIUM

- a. On the first occasion in any two-year period in which a covered driver has a breath alcohol test result of 0.02 or greater, he/she will be immediately removed from duty for a period of at least 24 hours. The time away from work may be considered vacation time or personal leave time if such is available; otherwise, it will be considered leave of absence without pay.

No further alcohol testing will be required prior to resuming work at the end of the 24-hour period.

- b. The second occasion in any two-year period in which a covered driver has a breath alcohol test result of 0.02 or greater, will be considered a violation of the Policy, and will subject the employee to discharge.
4. Covered drivers who have had a verified positive drug test or a confirmed alcohol result of 0.04 or above will not be permitted to operate a commercial motor vehicle for the school districts of this Consortium.

"Last Chance" Agreement

If a covered driver seeks assistance with a drug or alcohol dependency problem BEFORE recognition under the Policy, a school district MAY offer to enter into a "last chance" agreement with the driver. Under the terms of such an agreement, the driver is suspended for a minimum of five (5) working days and is referred to a certified Substance Abuse Professional for evaluation. The Substance Abuse Professional may advise and the school district may require the driver to undergo rehabilitation prior to return to duty. Ordinarily, in order to continue employment with the school district, whether or not treatment is necessary, the driver must agree to undergo a follow-up testing program after return to work in addition to the random testing program of the Consortium.

Return To Duty Procedures

The Federal Highway Administration's return to duty and follow-up testing requirements of the FHWA are given in Appendix E for reference. Since a covered driver's positive drug test or prohibited alcohol-related conduct results in termination of employment with the school districts of this Consortium, no federal return to duty procedures will apply under the Policy.

Record Keeping Procedures

The district Anti Drug Program Managers will maintain drug testing records in secure filing systems, separate from district personnel files, with information available only on a "need to know" basis.

DRUG AND ALCOHOL TESTING CONSORTIUM

A driver is entitled, upon written request, to obtain copies of any records concerning his/her use of alcohol or controlled substances. Requests for such information may be directed to the Anti Drug Program Manager or to the Consortium drug testing management service (see Appendix D).

Information regarding an individual's drug test results or rehabilitation may be released only upon written consent of the individual, except:

1. Such information must be released to the Secretary of Transportation, any DOT agency, or any State or local officials with regulatory authority over the employer or any of its drivers.
2. Such information may be disclosed in a lawsuit, grievance, or other proceeding initiated by or on behalf of the covered driver and arising from an alcohol test and/or a verified positive drug test or from a determination that the driver engaged in conduct prohibited by FHWA regulations.
3. When requested by the National Transportation Safety Board as part of an accident investigation, the school districts of this Consortium will disclose information regarding post-accident alcohol and/or drug testing.

The school districts of this Consortium shall release information regarding a covered driver's records to a subsequent employer upon receipt of a specific written request authorizing release of the records to an identified person.

Record Retention

The following schedule of record keeping will be maintained by the school districts of this Consortium and its authorized agents:

Negative and canceled drug test records; records of alcohol test results less than 0.02	1 year
Specimen collection/alcohol test records; records of supervisor training	2 years
Records of verified positive drug test results; alcohol test results of 0.02 or greater; refusals to be tested for drugs and/or alcohol; SAP evaluations and referrals	5 years

APPENDIX A

DEFINITIONS OF TERMS

For the purposes of this Policy, the following definitions apply.

Accident:

A "reportable accident" is an accident involving a commercial motor vehicle in which:

1. A fatality occurred; or
2. The driver received a citation for a moving traffic violation AND a person involved in the accident needed medical care away from the scene of the accident;
OR
3. The driver received a citation for a moving traffic violation AND one or more vehicles involved in the accident needed to be towed from the scene of the accident.

Covered drivers must undergo drug testing and breath alcohol testing as soon as possible after a reportable accident (see pages 5-6). The Anti Drug Program Manager will be responsible for determining whether post-accident testing is required under FHWA regulations.

Alcohol: Ethyl alcohol or ethanol. Under the Consortium policy, drivers are prohibited from having alcohol in their systems while at work. Under DOT regulations, breath alcohol tests on covered drivers must show levels below 0.02, or the driver must be removed from duty for a period of 24 hours. Levels of 0.04 or greater are grounds for prompt disciplinary action, up to and including discharge.

Alcohol concentration: The alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by an evidential breath test conducted under the Consortium Policy.

Anti Drug Program Manager: Individual at each school district with responsibility for implementing the Consortium Policy, communicating with the Consortium drug testing management service, and keeping records according to FHWA requirements.

Blind sample: A urine specimen submitted to a laboratory for quality control testing purposes, with a fictitious identifier, so that the laboratory cannot distinguish it from employee specimens, and which is spiked with known quantities of specific drugs or which is blank, containing no drugs.

Breath Alcohol Technician: An individual who has been trained to proficiency in the operation of the evidential breath testing device he or she is using as required under 49 CFR Part 40.

Breath alcohol testing site: A location which affords visual and aural privacy for the performance of breath alcohol testing. No unauthorized person shall be permitted access to the breath alcohol testing site when the evidential breath testing device is unsecured or at any time when testing is being conducted. In unusual circumstances, e.g. after an accident when a test must be conducted outdoors, the breath alcohol technician must provide visual and aural privacy to the greatest extent practicable.

CFR: United States Code of Federal Regulations

Chain of custody: Procedures to account for the integrity of each urine specimen by tracking its handling and storage from point of specimen collection to final disposition of the specimen. These procedures shall require that an appropriate drug testing custody form from a Department of Health and Human Services (DHHS), Substance Abuse and Mental Health Services Administration (SAMHSA)-certified laboratory be used from time of collection to receipt by the laboratory.

Collection site: A designated clinic/facility where applicants or employees may present themselves for the purpose of providing a specimen of their urine to be analyzed for the presence of drugs.

Collector: A person who instructs and assists applicants and employees through the urine specimen collection process.

Company: Ash Grove Cement Co.

Confirmation test

Confirmatory drug test: A second analytical procedure to identify the presence of a specific drug or metabolite which is independent of the initial test and which uses a different technique and chemical principle from that of the initial test in order to ensure reliability and accuracy. Gas chromatography/mass spectrometry (GC-MS) is the only authorized confirmation method for cocaine, marijuana, opiates, amphetamines, and phencyclidine.

Confirmatory alcohol test: A second breath test to confirm the presence of prohibited levels of alcohol. Confirmation tests follow a "deprivation period" of 15 minutes in which the tested individual is instructed not to smoke, eat, drink, or to the extent possible belch, to prevent interference by mouth alcohol in the testing procedure.

Controlled substances: Substances listed on Schedules I through V in 21 U.S.C. 802 as they may be revised from time to time (21 CFR 1308). Controlled substances include illicit drugs and drugs which may be authorized for use by a physician or dentist for certain medical uses, but which are subject to misuse or abuse.

Covered driver: Individual who is required to hold a Commercial Driver's License (CDL) for his or her job with any school district of this Consortium and who is subject to drug testing under Federal Highway Administration, Department of Transportation regulations (49 CFR Parts 40 and 382).

DOT: United States Department of Transportation.

EBT: Evidential breath testing device used for performing breath alcohol tests in accordance with DOT regulations.

Employee Assistance Program (EAP): Generally, a confidential system for providing evaluation and treatment services for employees with substance abuse and/or other medical or family problems. In DOT anti drug and alcohol misuse prevention programs, the term "EAP" refers to dissemination of information and training on substance abuse and on treatment resources; trained EAP counselors are called "Substance Abuse Professionals" (see below).

Employees who desire confidential assistance should contact their districts Anti drug Program Manager for assistance at (530) 528-7336.

GVWR: Gross Vehicular Weight Rating; size criterion for determining classification of a commercial motor vehicle under federal regulations.

Initial (screening) test:

Initial drug test (drug screen): An immunoassay test to eliminate "negative" urine specimens from further consideration.

Initial (screening) alcohol test: A breath test to determine whether alcohol is present in an applicant's or employee's system at or above the level at which transportation employees are prohibited from performing safety-sensitive duties (0.02 g/210L).

Medical Review Officer (MRO): A licensed doctor of medicine or osteopathy with knowledge of drug abuse disorders and drug testing who is responsible for reviewing and verifying drug testing results prior to their communication to the Anti Drug Program Manager.

Negative drug test: A test in which initial or confirmation testing under DOT procedures did not show evidence of a prohibited drug in an employee's or applicant's system above established levels; OR, a test which is verified as negative by the MRO (e.g. review showed positive test was due to prescription medication or other authorized use of controlled substance).

NIDA: National Institute on Drug Abuse. Formerly the agency under the U.S. Department of Health and Human Services responsible for certifying laboratories to perform federal workplace drug testing. This function is now performed by the Substance Abuse and Mental Health Services Administration (SAMHSA).

Positive drug test: A urine drug test result which indicates the presence of controlled substances beyond the cut-off levels specified by SAMHSA.

Confirmed positive drug test: A positive drug test which has undergone an initial "screening" test AND a confirmation test which validates the first result. Drug tests are confirmed by the SAMHSA-certified laboratory which performs the analyses.

Verified positive drug test: A confirmed positive drug test (see above) after investigation by the MRO, who has determined that no legitimate explanation exists for the presence of the controlled substance that was detected.

Probable cause or reasonable suspicion: An observation or observations of an employee's condition or performance that indicate(s) possible drug or alcohol use. Examples include deteriorating work performance, poor attendance, tardiness, appearance (including, for example, noticeable odor of an alcoholic beverage), behavior, or speech of the employee.

Prohibited drugs: Marijuana, cocaine, opiates, phencyclidine (PCP), and amphetamines.

Random testing: Computerized random selection and testing for drugs in which each person in the computer data base has an equal chance of selection each time a selection occurs, in accordance with regulatory requirements.

Reasonable suspicion or probable cause: An observation or observations of an employee's condition or performance that indicate(s) possible drug or alcohol use. Examples include deteriorating work performance, poor attendance, tardiness, appearance (including, for example, noticeable odor of an alcoholic beverage), behavior, or speech of the employee.

Refusal to submit: Refusal by an individual to provide a urine or breath specimen after receiving notice of the requirement to be tested in accordance with the Consortium Policy.

SAMHSA: Substance Abuse and Mental Health Services Administration, a division of the U.S. Department of Health and Human Services (DHHS) which is responsible for certifying laboratories to perform federal workplace drug testing. Formerly National Institute on Drug Abuse (NIDA).

Screening or initial test: An immunoassay screen to eliminate "negative" urine specimens from further consideration.

Split specimen collection procedure: A collection procedure in which a urine specimen is divided or "split" between two shipping bottles, both of which are transported to the testing laboratory. If the results of the initial screening and confirmation tests of the "primary" specimen are positive, the "split" specimen may be tested at another qualified laboratory at the expense of the tested individual.

Substance Abuse Professional: Under DOT regulations, individuals who may serve as substance abuse professionals include:

- licensed physicians (Medical Doctors or Doctors of Osteopathy) or
- licensed or certified psychologists, social workers, employee assistance professionals, or addiction counselors (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission) with knowledge of and clinical experience in the diagnosis and treatment of alcohol-related disorders.

Under the Policy, the Anti Drug Program Manager must inform employees or applicants who are found to have violated the alcohol prohibitions or who have had verified positive drug tests of the qualified Substance Abuse Professional(s) in the local area.

APPENDIX B

DRUG TESTING SPECIMEN COLLECTION PROCEDURES

Under the Policy, drug testing specimens will be collected according to federal workplace drug testing requirements (49 CFR Part 40). The following is a brief summary of the collection procedure. Further details are available from the Consortium drug testing management service (see Appendix D).

1. Ask donor for a photo I.D.
2. Fill out the chain of custody form completely. Step 5 must be SIGNED and dated by the COLLECTOR. Step 6 is to be printed, dated and signed by the COLLECTOR in TWO places. THE DONOR DOES NOT SIGN.
3. Have donor remove all outer garments and leave purses, briefcases, etc. in a secure location.
4. Select a collection kit. The kit contains 1 collection cup and 2 specimen shipping bottles.
5. Have donor wash hands prior to collection. Give the collection cup to the donor and ask him/her to fill it AT LEAST half-way (to the 60 mL mark).
6. Stand outside the restroom while donor voids. DATE BOTH tamperproof bottle seals (found at the side of the chain of custody form).
7. As soon as the donor gives you the collection cup, pour at least 30 mL of urine into one of the shipping bottles. This will be the "primary specimen." Then, pour the rest of the urine into the second bottle. This will be the "split specimen." Be sure to have the donor watch as you pour the specimen into the two shipping bottles.
8. As soon as possible, check temperature strip on the side of the primary specimen bottle and record on chain of custody form. Visually check specimen for signs of contamination (discoloration, precipitation, etc.). If you suspect that the specimen has been substituted, call Choicepoint immediately.
9. SEAL BOTH SPECIMENS. Be certain to place the tamperproof ID seal marked "A" over the lid of the primary specimen containing at least 30 mL urine. The seal marked "B" must go over the lid of the "split" specimen containing at least 15 mL urine.
10. Have DONOR initial both tamperproof ID seals in the spaces provided.

11. Place Copies 1, 2 and 3 in the outer pouch of the shipping bag; seal. Place shipping bottles in shipping bag with the absorbent; seal. Place shipping bag with paperwork and bottles in collection kit box; seal with box Security Seal. Apply specimen ID label to lid of box.
12. Have donor sign Copy 4. Give copy 5 to donor. Please mail pink "MEDICAL REVIEW OFFICER" copy (Copy 4) to ChoicePoint in the envelope provided.

If you have any questions or need to order more kits, please call

APPENDIX C**BREATH ALCOHOL TESTING PROCEDURES**

Under the Policy, breath alcohol testing will be performed according to federal workplace alcohol testing requirements (49 CFR Part 40). The following is a brief summary of the breath testing procedure.

1. **Timing of Breath Alcohol Tests:** Alcohol testing may occur any time a covered driver is on duty (see Appendix A for definitions of these terms). Testing will also be performed as part of the application process; applicants will be given adequate notice of this requirement prior to testing. Testing will occur at breath testing sites designated by the Consortium drug testing management service (see Appendix D).
2. **Scope of Breath Alcohol Tests**
 - a. Breath alcohol testing procedures will conform to federal workplace alcohol testing requirements (49 CFR Part 40).
 - b. Testing will be performed only by qualified Breath Alcohol Technicians (see Appendix A, "Glossary of Terms") using evidential breath alcohol testing devices listed on the Conforming Products List of the National Highway Traffic Safety Administration.
 - c. Testing locations will afford visual and aural privacy to the employee being tested, and unauthorized persons will be excluded from the testing area. Under post-accident conditions, privacy will be provided to the greatest extent practicable.
3. **Employee Signatures Required:** Employees will be required to sign the Breath Alcohol Test Form prior to and following the completion of the alcohol test. Refusal to sign Step 2 of the Form will be considered refusal to test.
4. **Screening Alcohol Test**
 - a. The Breath Alcohol Technician (BAT) will show the employee the test number associated with his or her test on the display of the Evidential Breath Testing device (EBT) prior to performing the test. (The BAT will also show the employee the test result on the EBT display after the test.) The BAT will follow DOT requirements (49 CFR Part 40) in handling any discrepancies between the displayed and printed test information.
 - b. Each breath test will be conducted with a new, individually-sealed mouthpiece. The employee will be instructed to take a deep breath and to blow into the mouthpiece of the EBT until the BAT says to stop.

- c. The test result will be printed on, or attached to the back of, the Alcohol Test Form.
 - d. If the employee is unable after repeated attempts to provide an adequate breath sample, the BAT will document his or her efforts to conduct the test and notify the Administrator or his designated representative by telephone.
 - e. If the screening alcohol test result is less than 0.02, no further testing will be conducted. The result will be reported to the Administrator by copy of the Breath Alcohol Test Form.
 - f. Any screening alcohol test with a result of 0.02 or above will be confirmed by a confirmatory breath test.
5. Confirmatory Test
- a. The BAT will instruct the individual being tested not to smoke, use mouthwash, drink, eat, or otherwise put any object or substance in his or her mouth for a period of 15 minutes.
 - b. Within 20 minutes of the completion of the screening test, the BAT will conduct a confirmatory breath test in the same manner as described above ("Screening Test"), except that an "air blank" must be conducted prior to the test. The result will be printed on, or attached to the back of, the Alcohol Test Form.
 - c. If the confirmatory alcohol test result is less than 0.02, no further testing will be conducted. The test results will be reported to the Administrator by copy of the Breath Alcohol Test Form.
 - d. If the confirmatory alcohol test result is 0.02 or greater, the BAT will immediately notify the Plan Administrator or his designated representative by telephone. A copy of the Alcohol Test Form will then be forwarded to the Administrator.
6. Results Reporting: All test results will be transmitted in a confidential manner, with safeguards to prevent the disclosure of information to unauthorized persons.

Further details concerning the procedures for performing breath alcohol testing are available from the drug testing management service and/or the Anti Drug Program Manager (see Appendix A and appendix D).

If drug testing is required in remote geographic locations, other laboratories certified by the Substance Abuse and Mental Health Services (SAMHSA) (formerly "NIDA") may be used.

Covered drivers may specify the SAMHSA-certified laboratory to which a "split" portion of their urine specimen should be sent; the drug testing management service will provide relevant informational assistance upon request.

SUBSTANCE ABUSE PROFESSIONALS

The Consortium will use the services of Substance Abuse Professionals who meet U.S. Department of Transportation requirements for education/certification and absence of financial benefit from referral for treatment.

Other qualified Substance Abuse Professionals who meet U.S. Department of Transportation requirements for education/certification and absence of financial benefit from referral for treatment may be used as necessary (e.g. due to applicant/employee's geographic location).

APPENDIX E

FEDERAL HIGHWAY ADMINISTRATION RETURN TO DUTY PROCEDURES

The following information is for reference only. The school districts of this Consortium do not return covered drivers to duty following a positive drug test or prohibited alcohol conduct, since a positive drug test or prohibited alcohol conduct results in termination of employment.

Under 49 CFR Part 382, "Controlled Substances & Alcohol Use and Testing," the following return to duty procedures apply to drivers of commercial motor vehicles:

1. Covered drivers who have had alcohol test results of 0.04 or greater must be evaluated, undergo treatment, if required, and be recommended for return to work by the Substance Abuse Professional. A "return to duty" alcohol test with a result less than 0.02 is required prior to resumption of safety-sensitive or covered driving functions.
2. Covered drivers who have had verified positive drug tests must be evaluated, undergo treatment, if required, and be recommended for return to work by the Substance Abuse Professional if appropriate. A negative "return to duty" drug test is required prior to resumption of safety-sensitive or covered driving functions.
3. Covered drivers may be subject to periodic unannounced follow-up alcohol and/or drug testing as determined by the Substance Abuse Professional who evaluated the employee and/or by the MRO. If the driver was found to need assistance in resolving his/her alcohol misuse or drug abuse problem, a minimum of six (6) such follow-up tests must be conducted during the twelve (12) months following the driver's return to duty.

The County Superintendent or designee may issue a temporary certificate of clearance to a person who has been convicted of a serious felony that is not also a violent felony, if that person can prove to the sentencing court of the offense in question, by clear and convincing evidence, that he/she has been rehabilitated for the purposes of school employment for at least one year. Upon notification by the Department of Justice of such conviction, the County Superintendent or designee shall immediately place that employee on leave without pay. (Education Code 44830.1)

EMPLOYMENT OF RELATIVES

4312.8

The Tehama County Superintendent of Schools desires to maximize staff and community confidence in Tehama County Department of Education hiring, promotion, and other employment decisions by promoting practices that are free of conflicts of interest or the appearance of impropriety.

The County Superintendent prohibits the appointment of any person to a position for which his/her relative maintains management, supervisory, evaluation, or promotion responsibilities and prohibits an employee from participating in any decision that singularly applies to any of his/her relatives.

For purposes of this policy, *relative* includes the individual's spouse, domestic partner, parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse or domestic partner.

In addition, the County Superintendent or designee may determine, on a case-by-case basis, whether to appoint a person to a position in the same department or facility as an employee with whom he/she maintains a personal relationship when that relationship has the potential to create (1) an adverse impact on supervision, safety, security, or morale of other Department employees or (2) a conflict of interest for the individuals involved which is greater because of their relationship than it would be for another person.

An employee shall notify his/her supervisor within 30 days of any change in his/her circumstances that may constitute a violation of this policy.

TEMPORARY MODIFIED/LIGHT-DUTY ASSIGNMENT

The Tehama County Superintendent of Schools recognizes that, when employees have temporarily disabling medical conditions, temporary modified or light-duty assignments can allow the Tehama County Department of Education to continue to use their valuable knowledge, skills, and abilities while minimizing time away from work. Temporary modified/light-duty assignments may also serve to facilitate the employee's transition back to his/her regular duties or full-time work.

Any employee may request a modified or light-duty assignment when he/she has a temporary medical condition which prevents the performance of the essential functions of his/her current assignment or position. The County Superintendent or designee shall determine, on a case-by-case basis, whether a suitable temporary position currently exists to accommodate the physical restrictions specified by the employee's medical provider.

An employee's initial assignment to a temporary modified or light-duty position shall be for a limited duration, not to exceed 30 days. At the end of the initial assignment, the employee may request that the County Superintendent or designee extend the assignment. When requesting any such extension, the employee shall submit documentation from his/her medical provider verifying that the employee is still temporarily disabled and is not medically able to return to his/her regular assignment. Temporary assignments generally shall not exceed 90 days, but may be extended at the discretion of the County Superintendent or designee for an additional 90 days upon verification by the employee's medical provider that such an extension will allow the employee to return to unrestricted regular duties.

An employee who rejects a temporary modified/light-duty assignment may be subject to a loss of workers' compensation benefits in accordance with Department's insurance policy.

On a case-by-case basis, the Tehama County Superintendent of Schools or designee may allow a certificated employee to reduce his/her workload from full time to part time when doing so does not disrupt the educational program and is in the best interests of the Tehama County Department of Education.

A certificated employee who is a member of the defined benefit program of the California State Teachers' Retirement System (STRS) and who reduces his/her workload to part time may maintain the retirement and health and welfare benefits that he/she would have received if employed on a full-time basis under the following conditions: (Education Code 22713, 44922)

1. The option to reduce the employee's workload shall be exercised at the request of the employee and can be revoked only with the mutual consent of the County Superintendent or designee and the employee. The agreement to reduce the workload shall be in effect at the beginning of the school year.
2. Prior to the reduction in workload, the employee shall have performed creditable service on a full-time basis for a minimum of 10 years, of which the immediately preceding five years were full-time employment.
3. The employee shall not have had a break in service during the five years immediately preceding the reduction in workload. Sabbaticals, other approved leaves of absence, and unpaid absences for personal reasons from full-time employment shall not constitute a break in service. However, the period of time during which a member is retired shall constitute a break in service and an employee who reinstates from retirement shall be required to be employed in creditable service on a full-time basis for at least five school years preceding the workload reduction.
4. The employee shall have reached the age of 55 years prior to the workload reduction.
5. The employee shall not hold a position with a salary above that of an Administrator.
6. The period of the reduced workload shall not exceed 10 years.
7. The reduced workload shall be equal to at least one-half of the full-time equivalent required by the employee's contract of employment in accordance with Education Code 22138.5 during his/her final year of full-time employment.

EARLY RETIREMENT OPTION

When it is beneficial to the Tehama County Department of Education, the Tehama County Superintendent of Schools may offer certificated employees the option to retire early in accordance with law.

Two Years of Service Credit Retirement Incentive

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System (STRS), the County Superintendent may offer such employees an additional two years of service credit. (Education Code 22714, 44929)

Before taking formal action to approve this service incentive, the County Superintendent shall determine that encouraging early retirement would be in the best interest of the Department due to the curtailment of services or changes in the manner in which services are performed and that the retirement will result in a net savings to the Department. The County Superintendent shall demonstrate that the formal action taken would result in a net savings to the Department. (Education Code 22714, 44929)

The County Superintendent may also consider the impact of the early retirement option on the staffing needs of Department schools and the ability to satisfy federal requirements for highly qualified teachers pursuant to 20 USC 6319.

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

To be eligible for the two years of service credit option, the employee must have five or more years of service credit and must retire during a period of 60 to 120 days after the Department takes formal action to implement the option. (Education Code 22714)

In providing the early retirement option, the Department shall meet all conditions as specified in Education Code 22714 and 44929.

Two + Two Retirement Incentive: 2 Years of Service Credit + 2 Years of Age Credit

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System, the Department may offer an additional two years of service credit and two years of age credit to employees who retire within the "window period" established by the Department in a Memorandum of Understanding or by Department action prior to January 1, 2005 pursuant to repealed Education Code 22714.5.

EXPOSURE CONTROL PLAN FOR BLOODBORNE PATHOGENS

4319.42

As part of its commitment to provide a safe and healthful work environment, the Tehama County Superintendent of Schools recognizes the importance of developing an exposure control plan. The County Superintendent or designee shall establish a written exposure control plan in accordance with state and federal standards for dealing with potentially infectious materials in the workplace to protect employees from possible infection due to contact with bloodborne pathogens, including but not limited to hepatitis B virus, hepatitis C virus and human immunodeficiency virus (HIV).

The County Superintendent or designee shall determine which employees have occupational exposure to bloodborne pathogens and other potentially infectious materials. In accordance with the Department's exposure control plan, employees having occupational exposure shall be offered the hepatitis B vaccination.

The County Superintendent or designee may exempt designated first aid providers from pre-exposure hepatitis B vaccination under the conditions specified by state regulations. (8 CCR 5193(f))

Any employee not identified by the County Superintendent or designee as having occupational exposure may submit a request to the County Superintendent or designee to be included in the training and hepatitis B vaccination program. The County Superintendent or designee may deny a request when there is no reasonable anticipation of contact with any infectious material.

EXPOSURE CONTROL PLAN FOR BLOODBORNE PATHOGENS

Definitions

Occupational exposure means reasonably anticipated skin, eye, mucous membrane, or parenteral contact with blood or other potentially infectious materials that may result from the performance of an employee's duties. (8 CCR 5193(b))

Exposure incident means a specific eye, mouth, other mucous membrane, nonintact skin, or parenteral contact with blood or other potentially infectious materials that result from the performance of an employee's duties. (8 CCR 5193 (b))

Parenteral contact means piercing mucous membranes or the skin barrier through such events as needlesticks, human bites, cuts, and abrasions. (8 CCR 5193(b))

A *sharp* is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR 5193(b))

A *sharps injury* is any injury caused by a sharp, including but not limited to cuts, abrasions or needlesticks. (8 CCR 5193(b))

Work practice controls are controls that reduce the likelihood of exposure by defining the manner in which a task is performed. (8 CCR 5193(b))

Engineering controls are controls, such as sharps disposal containers, needleless systems, and sharps with engineered sharps injury protection, that isolate or remove the bloodborne pathogens hazard from the workplace. (8 CCR 5193(b))

Engineered sharps injury protection is a physical attribute built into a needle device or into a non-needle sharp which effectively reduces the risk of an exposure incident. (8 CCR 5193(b))

Exposure Control Plan

The Tehama County Department of Education's exposure control plan shall contain at least the following components: (8 CCR 5193(c))

1. A determination of which employees have occupational exposure to blood or other potentially infectious materials

The Department's exposure determination shall be made without regard to the use of personal protective equipment and shall include a list of:

- a. All job classifications in which all employees have occupational exposure
- b. Job classifications in which some employees have occupational exposure

AR
4119.42(b)
4219.42
4319.42

EXPOSURE CONTROL PLAN FOR BLOODBORNE PATHOGENS (continued)

- c. All tasks and procedures, or groups of closely related tasks and procedures, in which occupational exposure occurs and which are performed by employees listed in item #b above
2. The schedule and method of implementing:
 - a. Methods of compliance required by 8 CCR 5193(d), such as universal precautions, general and specific engineering and work practice controls, and personal protective equipment
 - b. Hepatitis B vaccination
 - c. Bloodborne pathogen post-exposure evaluation and follow-up
 - d. Communication of hazards to employees, including labels, signs, information and training
 - e. Recordkeeping
3. The Department's procedure for evaluating circumstances surrounding exposure incidents
4. An effective procedure for gathering information about each exposure incident involving a sharp, as required for the log of sharps injuries
5. An effective procedure for periodically determining the frequency of use of the types and brands of sharps involved in exposure incidents documented in the sharps injury log
6. An effective procedure for identifying currently available engineering controls and selecting such controls as appropriate for the procedures performed by employees in their work areas or departments
7. An effective procedure for documenting instances when a licensed healthcare professional directly involved in a patient's care determines, in the reasonable exercise of clinical judgment, that the use of an engineering control would jeopardize an individual's safety or the success of a medical, dental or nursing procedure involving the individual

EXPOSURE CONTROL PLAN FOR BLOODBORNE PATHOGENS (continued)

8. An effective procedure for obtaining the active involvement of employees in reviewing and updating the exposure control plan with respect to the procedures performed by employees in their respective work areas or departments

The exposure control plan shall be reviewed and updated at least annually and whenever necessary to: (8 CCR 5193(c))

1. Reflect new or modified tasks and procedures affecting occupational exposure
2. To the extent that sharps are used in the Department, reflect progress in implementing the use of needleless systems and sharps with engineered sharps injury protection
3. Include new or revised employee positions with occupational exposure
4. Review and evaluate the exposure incidents which occurred since the previous update
5. Review and respond to information indicating that the exposure control plan is deficient in any area

The Department's exposure control plan shall be accessible to employees upon request. (8 CCR 3204(e))

Preventive Measures

The County Superintendent or designee shall use engineering and work practice controls to eliminate or minimize employee exposure, and shall regularly examine and update controls to ensure their effectiveness. (8 CCR 5193(d))

Hepatitis B Vaccination

The hepatitis B vaccination and vaccination series shall be made available at no cost to all employees who have occupational exposure. The hepatitis B vaccination shall be made available after an employee with occupational exposure has received the required training and within 10 working days of initial assignment, unless the employee has previously received the complete hepatitis B vaccination series, or antibody testing has revealed that the employee is immune, or vaccination is contraindicated by medical reasons. (8 CCR 5193(f))

Employees who decline to accept the vaccination shall sign the hepatitis B declination statement. (8 CCR 5193(f))

Hepatitis B Vaccine Declination

I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. UNIVERSAL PRECAUTIONS (continued)

Where occupational exposure remains after the institution of engineering and work practice controls, the County Superintendent or designee shall provide appropriate personal protective equipment at no cost to the employee. Such equipment may include gloves, gowns, masks, eye protection, and other devices that do not permit blood or other potentially infectious materials to pass through or reach the employee's clothes, skin, eyes, mouth or other mucous membranes under normal conditions of use. The County Superintendent or designee shall maintain, repair, make accessible and require employees to use and properly handle protective equipment. (8 CCR 5193(d))

The County Superintendent or designee shall provide handwashing facilities which are readily accessible to employees. When provision of handwashing facilities is not feasible, the County Superintendent or designee shall provide an appropriate antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. (8 CCR 5193(d))

For the prevention of infectious disease, employees shall routinely: (8 CCR 5193(d))

1. Perform all procedures involving blood or other potentially infectious materials in such a manner as to minimize splashing, spraying, spattering, and generating droplets of these substances.
2. Use personal protective equipment as appropriate.
 - a. Appropriate clothing, including but not limited to, gowns, aprons, lab coats, clinic jackets or similar outer garments, shall be worn in occupational exposure situations.

If a garment becomes penetrated by blood or other potentially infectious materials, the employee shall remove the garment immediately or as soon as feasible. All personal protective equipment shall be removed prior to leaving the work area. When removed, it shall be placed in an appropriately designated area or container for storage, washing, decontamination or disposal.

- b. Gloves shall be worn when it can be reasonably anticipated that the employee may have hand contact with blood, other potentially infectious materials, mucous membranes and nonintact skin, and when handling or touching contaminated items or surfaces.

UNIVERSAL PRECAUTIONS (continued)

Disposable gloves shall be replaced as soon as practical when contaminated, or as soon as feasible if they are torn, punctured, or when their ability to function as a barrier is compromised. They shall not be washed or decontaminated for reuse. Utility gloves may be decontaminated for reuse if the integrity of the gloves is not compromised, but must be discarded if they are cracked, peeling, torn, punctured, or exhibit other signs of deterioration or when their ability to function as a barrier is compromised.

- c. Masks in combination with eye protection devices or face shields shall be worn whenever splashes, spray, spatter, or droplets of blood or other potentially infectious materials may be generated and eye, nose or mouth contamination can be reasonably anticipated.

3. Wash hands and other skin surfaces thoroughly with soap and running water:

- a. Immediately or as soon as feasible following contact of hands or any other skin or mucous membranes with blood or other potentially infectious materials
- b. Immediately after removing gloves or other personal protective equipment

When handwashing facilities are not available, the employee shall use antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. In such instances, hands shall be washed with soap and running water as soon as feasible.

- 4. Refrain from eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses in work areas with a reasonable likelihood of occupational exposure.
- 5. Clean and decontaminate all equipment and environmental and work surfaces after contact with blood or other potentially infectious material, no later than the end of the shift or more frequently as required by state regulations.
- 6. Rather than using the hands directly, use mechanical means such as a brush and dust pan, tongs or forceps to clean up broken glassware which may be contaminated.
- 7. Use effective patient-handling techniques and other methods designed to minimize the risk of a sharps injury in all procedures involving the use of sharps in patient care.

AR

UNIVERSAL PRECAUTIONS (continued)

- a. Needleless systems shall be used to administer medication or fluids, withdraw body fluids after initial venous or arterial access is established, and conduct any other procedure involving the potential for an exposure incident for which a needleless system is available as an alternative to the use of needle devices. If needleless systems are not used, needles or non-needle sharps with engineered sharps injury protection shall be used.
 - b. Contaminated needles or other sharps shall not be broken, bent, recapped, removed from devices, or stored or processed in a manner that requires employees to reach by hand into the containers where these sharps have been placed.
 - c. Disposable sharps shall not be reused.
8. Handle, store, treat and dispose of regulated waste in accordance with Health and Safety Code 117600-118360 and other applicable state and federal regulations.
- a. Immediately or as soon as possible after use, contaminated sharps shall be placed in containers meeting the requirements of 8 CCR 5193(d)(3)(D). Containers shall be easily accessible, maintained upright throughout use where feasible, and replaced as necessary to avoid overfilling.

A temporary or substitute employee may use accrued sick leave for absences due to:
(Labor Code 246.5)

1. His/her own need or the need of a family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care.
2. Need of the employee to obtain or seek any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking.

No employee shall be denied the right to use accrued sick days and the department shall not, in any manner, discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging department violation of Labor Code 245-249. The Superintendent or designee shall display a poster containing required information, provide notice to eligible employees of their sick leave rights, keep records of employees' use of sick leave for three years, and comply with other requirements specified in Labor Code 245-249 and in AR 4161.1/4261.1/4361.1 – Personal Illness/Injury Leave.

Use of sick leave shall be reported prior to the start of your shift for which you have been scheduled to work or are being requested to work. Follow the supervisor's procedures for "notification" for the department for which you have been scheduled to work for or requested to work for. It is the responsibility of the substitute/temporary personnel to ensure appropriate sick leave is available prior to submitting a sick leave request.

NONSCHOOL EMPLOYMENT

In order to help maintain public trust in the integrity of Tehama County Department of Education operations, the Tehama County Superintendent of Schools expects all employees to give the responsibility of their positions precedence over any other outside employment. A Department employee may receive compensation for outside activities as long as these activities are not inconsistent, incompatible, in conflict with, or inimical to his/her Department duties.

An outside activity shall be considered inconsistent, incompatible, or inimical to Department employment when such activity: (Government Code 1126)

1. Requires time periods that interfere with the proper, efficient discharge of the employee's duties
2. Entails compensation from an outside source for activities which are part of the employee's regular duties
3. Involves using the Department's name, prestige, time, facilities, equipment, or supplies for private gain
4. Involves service which will be wholly or in part subject to the approval or control of another Department employee or County Board member

An employee wishing to accept outside employment that may be inconsistent, incompatible, in conflict with, or inimical to the employee's duties shall file a written request with his/her immediate supervisor describing the nature of the employment and the time required. The supervisor shall evaluate each request based on the employee's specific duties within the Department and determine whether to grant authorization for such employment.

The supervisor shall inform the employee whether the outside employment is prohibited. The employee may appeal a supervisor's denial of authorization to the Superintendent or designee. An employee who continues to pursue a prohibited activity may be subject to disciplinary action.

Tutoring

A certificated employee shall not accept any compensation or other benefit for tutoring a student enrolled in his/her class(es). The County Superintendent is committed to negotiating in good faith with the employee organizations and respecting the rights of employees and employee organizations.

The County Superintendent shall negotiate only with the exclusive representative of each bargaining unit. (Government Code 3543.3)

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

The Department shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

However, the Department may recognize a bargaining unit of supervisors if that unit includes all supervisory employees and if the unit does not represent the employee whom the supervisors supervise. (Government Code 3545)

Management, supervisory, and confidential positions shall be classified as follows: (Government Code 3540.1)

1. *Management employee* means any employee who has significant responsibilities for formulating Department policies or administering Department programs, and whose position is designated as a management position by the County Superintendent.

The Tehama County Superintendent of Schools desires to provide a safe, orderly working environment for all employees. The Department shall provide such communications devices in classrooms to the extent possible.

Employees may not carry or possess pepper spray on school property or at school activities. On a case-by-case basis, however, the County Superintendent or designee may allow the possession of a pepper spray weapon that meets the requirements of Penal Code 22810 when justified by unusual dangerous circumstances. Failure to Return to Service After Leave

In the case of a certificated employee who was on leave of absence for 20 or more consecutive working days after April 30 of the previous school year, the Tehama County Department of Education may terminate the employment of such an employee if all of the following circumstances exist: (Education Code 44842)

1. The employee fails to report for duty, without good cause, at the beginning of the school year after having notified the Tehama County Superintendent of Schools of his/her intention to remain in service with the Department in accordance with Education Code 44842.
2. The Department had specifically notified the employee, at least five days in advance, of the time and place at which the employee was to report to work.
3. The employee did not request or was not granted a leave of absence authorized by the County Superintendent.

In any such case, the Department may terminate the employee's employment on the day following 20 consecutive days of absence. (Education Code 44842)

Use of Leaves by Classified Employees

A classified employee may interrupt or terminate vacation leave in order to begin another type of paid leave without a return to active service, as long as the employee provides adequate notice and relevant supporting information regarding the basis for such interruption or termination. (Education Code 45200)

Certificated Personnel

AR

PERSONAL ILLNESS/INJURY LEAVE

Full-time certificated employees are entitled to 10 days leave of absence for personal illness or injury (sick leave) per school year, with full pay. Employees working less than five school days per week shall be granted comparable sick leave in proportion to the time they work. (Education Code 44978)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee who does not complete a given year of service shall be charged for any unearned sick leave used as of the date of termination of service.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

At the beginning of each school year, employees shall be notified of the amount of sick leave they have accumulated.

Any certificated employee who leaves the Tehama County Department of Education after at least one school year of employment and accepts a certificated position in another district, county office of education, or community college district within one year shall have transferred with him/her the total amount of accumulated sick leave. The Department shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

Sick leave may be used by a certificated employee for absences due to:

1. Temporary inability to perform his/her duties because of illness, accident, or quarantine, whether or not the cause of the absence arises out of and in the course of employment (Education Code 44964)
2. Pregnancy, miscarriage, childbirth, and recovery (Education Code 44965, 44978)
3. Personal necessity (Education Code 44981)
4. Medical and dental appointments, in increments of not less than one hour
5. Industrial accidents or illnesses when leave granted specifically for that purpose has been exhausted (Education Code 44984)
6. Illness of the employee's child, parent, spouse, registered domestic partner, or domestic partner's child in an amount not less than the sick leave that would be accrued by the employee during six months at his/her then current rate of entitlement (Labor Code 233)

PERSONAL ILLNESS/INJURY LEAVE (continued)

An employee shall notify the Department of his/her need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the Department. If the duration of absence becomes shorter than estimated, the employee shall notify the Department not later than 3 p.m. of the day preceding the day on which he/she intends to return to work. If failure to so notify the Department results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

Continued Absence After Available Sick Leave Is Exhausted

After a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or injury, continues to be absent for an additional period up to five months, he/she shall receive differential pay of his/her regular salary during the five-month period of absence.

If a certificated employee is not medically able to resume his/her duties after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed Department absence form to his/her immediate supervisor.

The Tehama County Superintendent of Schools or designee may, at any time, require additional written verification by the employee's physician or other authorized health care provider. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

PERSONAL ILLNESS/INJURY LEAVE (continued)

The County Superintendent or designee may require an employee to visit a physician selected by the Department, at Department expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the County Superintendent or designee may, after giving notice to the employee, deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.

INDUSTRIAL ACCIDENT/ILLNESS LEAVE

In each fiscal year, allowable leave for certificated employees for any single industrial accident or illness shall be for 60 days during which the schools of the Tehama County Department of Education are in session or when the employee would otherwise have been performing work for the Department.

Allowable industrial accident/illness leave shall not accumulate from year to year. (Education Code 44984)

When a certificated employee is absent from his/her duties because of an industrial accident or illness: (Education Code 44984)

1. Industrial accident or illness leave shall start on the first day of absence.
2. The employee shall be paid such portion of the salary due for any month in which the absence occurs as, when added to the temporary disability indemnity under Division 4 or 4.5 of the Labor Code, will result in a payment to the employee of not more than his/her full salary.
3. Industrial accident or illness leave shall be reduced by one day for each day of authorized absence, regardless of a temporary disability indemnity award.
4. When an industrial accident or illness leave overlaps into the next fiscal year, the employee is entitled to only the amount of unused leave due the employee for the same illness or injury.

Upon expiration of allowable leave for an industrial accident or illness, the employee may use personal illness and injury leave. If the employee continues to receive temporary disability indemnity, he/she may elect to take as much of the accumulated sick leave which, when added to his/her temporary disability indemnity, will result in a payment to the employee of not more than the employee's full salary. (Education Code 44984)

During any paid leave of absence, the employee may endorse to the Department the temporary disability indemnity checks received on account of his/her industrial accident or illness. In those cases, the Department shall issue appropriate salary warrants for payment of the employee's salary, and shall deduct normal retirement, other authorized contributions, and the temporary disability indemnity, if any, actually paid to and retained by the employee for periods covered by such salary warrants. (Education Code 44984)

Any employee receiving benefits under this leave shall, during periods of injury or illness, remain within the State of California unless the Tehama County Superintendent of Schools authorizes travel outside the state. (Education Code 44984)

(Education Code 44800)

Reinstatement rights shall not be extended to any such employee who fails to return within 12 months after the first date upon which he/she could terminate or could cause to be terminated his/her active service. (Education Code 44800; Military and Veterans Code 395.1)

When an employee has been on military leave for reasons other than war or national emergency, the time frame for reinstatement shall depend on the length of military service as follows: (38 USC 4312; 20 CFR 1002.115, 1002.118)

1. For a leave of 30 days or fewer, the employee shall report for duty no later than the beginning of the first full work day following the completion of military service, provided the employee has a period of eight hours to rest following transportation to his/her residence.
2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

Upon receiving an application for reinstatement, the County Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of his/her case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

MILITARY LEAVE (continued)

If the employee's previous position has been abolished, he/she shall be reinstated in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which he/she is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee failing to apply for reinstatement within the appropriate period does not automatically forfeit his/her rights, but shall be subject to the County Board's rules governing unexcused absences. (38 USC 4312)

The County Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The Department's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the Department as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the Department exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)

FAMILY CARE AND MEDICAL LEAVE (continued)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of family care and medical leave during any 12-month period, except in the case of leave to care for a covered service member as provided under "Military Caregiver Leave" below. (29 USC 2612; Government Code 12945.2)

This 12-month period shall be a rolling year which shall be counted backward from the date the family leave is taken. (29 CFR 825.200)

Leave taken pursuant to the CFRA shall run concurrently with leave taken pursuant to the FMLA, except in the following circumstances:

1. Leave taken to care for a registered domestic partner or a child of a domestic partner. Such leave shall count as leave under the CFRA only. (Family Code 297.5)
2. Leave taken for disability on account of pregnancy, childbirth, or related medical conditions. FMLA leave taken for these purposes shall run concurrently with the California pregnancy disability leave granted pursuant to Government Code 12945. CFRA leave related to the birth of a child shall not commence until the expiration of the pregnancy disability leave. (Government Code 12945, 12945.2; 2 CCR 7297.6)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time. The basic minimum duration of the leave for birth or placement of a child shall be two weeks. However, the Department shall grant a request for leave of less than two weeks' duration on any two occasions. (29 USC 2612; 2 CCR 7297.3)

If both parents of a child work for the Department, their family care and medical leave related to the birth or placement of the child shall be limited to a combined total of 12 weeks. This restriction shall apply whether or not the parents are married, not married, or registered domestic partners. (29 USC 2612; Government Code 12945.2)

FAMILY CARE AND MEDICAL LEAVE (continued)

Use/Substitution of Paid Leave

During the period of family care and medical leave or pregnancy disability leave, the employee may elect to use his/her accrued vacation leave, other accrued time off, or any other paid or unpaid time off negotiated with the Department. If the leave is because of the employee's own serious health condition, the employee shall use accrued sick leave pursuant to the collective bargaining agreement and/or County Board policy. (29 USC 2612; Government Code 12945.2)

Intermittent Leave/Reduced Leave Schedule

Leave related to the serious health condition of the employee or his/her child, parent, or spouse may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the Department may limit leave increments to the shortest period of time that the Department's payroll system uses to account for absences or use of leave. (29 USC 2612; 2 CCR 7297.3)

If an employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on planned medical treatment for the employee or a family member, the Department may require the employee to transfer temporarily to an available alternative position. This alternative position must have equivalent pay and benefits, the employee must be qualified for the position, and the position must better accommodate recurring periods of leave than the employee's regular job. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced leave schedule. (29 USC 2612; 2 CCR 7297.3)

Request for Leave

An employee shall provide at least verbal notice sufficient to make the Department aware that he/she needs family care and medical leave and the anticipated timing and duration of the leave. The employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement; however, he/she must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the County Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 7297.4)

FAMILY CARE AND MEDICAL LEAVE (continued)

Based on the information provided by the employee, the County Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. (2 CCR 7297.4)

When the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of the employee or a family member, the employee shall provide the Department with at least 30 days advance notice before the leave. The employee shall consult with the Department and make a reasonable effort to schedule, subject to the health care provider's approval, any planned medical treatment or supervision so as to minimize disruption to Department operations. (Government Code 12945.2; 2 CCR 7297.4)

When the 30 days notice is not practicable because of a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, the employee shall provide the Department with notice as soon as practicable. (2 CCR 7297.4)

Certification of Health Condition

At the time of the employee's request for leave for his/her own or his/her child's, parent's, or spouse's serious health condition, or within five business days of the request, the County Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the Department's request, the employee shall provide the certification within 15 days, unless either the County Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (29 CFR 825.305; 2 CCR 7297.4)

The certification shall include the following: (29 USC 2613; Government Code 12945.2; 2 CCR 7297.0)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for a child, parent, or spouse with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the child, parent, or spouse

AR
4161.8(f)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

- b. Estimated amount of time the health care provider believes the employee needs to care for the child, parent, or spouse
4. If the employee is requesting leave because of his/her own serious health condition, a statement that due to the serious health condition, he/she is unable to work at all or is unable to perform one or more essential functions of his/her job
5. If the employee is requesting leave for intermittent treatment or is requesting leave on a reduced leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

The County Superintendent or designee shall not request any genetic information, as defined in 42 USC 2000ff, from any employee or his/her family member except as necessary to comply with a certification requirement for FMLA/CFRA leave purposes or with the prior written authorization of the employee. Any such genetic information received by the Department shall be kept confidential in accordance with law. (42 USC 2000ff-1, 2000ff-5)

When an employee has provided sufficient medical certification to enable the Department to determine whether the employee's leave request is FMLA-eligible, the County Superintendent or designee shall notify the employee within five business days whether the leave is FMLA-eligible. The County Superintendent or designee may also retroactively designate leave as FMLA/CFRA as long as there is no individualized harm to the employee. (29 CFR 825.301)

If the County Superintendent or designee doubts the validity of a certification that accompanies a request for leave for the employee's own serious health condition, he/she may require the employee to obtain a second opinion from a Department-approved health care provider, at Department expense. If the second opinion is contrary to the first, the County Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the Department, again at Department expense. The opinion of the third health care provider shall be final and binding. (29 USC 2613; Government Code 12945.2)

If additional leave is needed when the time estimated by the health care provider expires, the Department may require the employee to provide recertification in the manner specified in items #1-5 above. (29 USC 2613; Government Code 12945.2)

Fitness for Duty Upon Return to Work

Upon expiration of leave taken for his/her own serious health condition, an employee shall present certification from his/her health care provider that he/she is able to resume work.

The certification from the employee's health care provider shall address the employee's ability to perform the essential functions of his/her job.

Rights to Reinstatement and Maintenance of Benefits

Upon granting an employee's request for family care and medical leave, the County Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (29 USC 2614; Government Code 12945.2)

However, the Department may refuse to reinstate an employee returning from leave to the same or a comparable position if all of the following apply: (29 USC 2614; Government Code 12945.2)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of those Department employees who are employed within 75 miles of the employee's worksite.
2. The refusal is necessary to prevent substantial and grievous economic injury to Department operations.
3. The Department informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.

During the period when an employee is on family care and medical leave, he/she shall maintain his/her status with the Department and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. FAMILY CARE AND MEDICAL LEAVE (continued)

For a period of 12 work weeks, the Department shall continue to provide an eligible employee on family care and medical leave the group health plan coverage that was in place before he/she took the leave. The employee shall reimburse the Department for premiums paid during the family care and medical leave if he/she fails to return to Department employment after the expiration of the leave and the failure is for any reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond his/her control. (29 USC 2614; 29 CFR 825.213; Government Code 12945.2)

In addition, during the period when an employee is on family care and medical leave, he/she shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the Department shall not be required to make plan payments for an employee during the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2)

Military Family Leave Resulting from Qualifying Exigencies

An eligible employee may take up to 12 work weeks of unpaid leave during the 12-month period established by the Department while a covered military member is on covered active duty or call to covered active duty status for one or more qualifying exigencies. (29 USC 2612)

Covered military member means an employee's spouse, son, daughter, or parent on covered active duty or call to covered active duty status. (29 CFR 825.126)

The employee shall provide the County Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

An employee who is requesting such leave for the first time shall provide the County Superintendent or designee with a copy of the covered military member's active duty orders, or other documentation issued by the military, and the dates of the service. In order to be eligible for such military caregiver leave, an employee must be the spouse, son, daughter, parent, or next of kin of the covered service member. WORK DAY , WORK WEEK, WORK YEAR

The normal work day, work week, or work year of full-time classified personnel shall consist of an eight-hour day, 40-hour week, and 12 month work year.

These provisions do not restrict the extension of a regular work day or work week on an overtime basis when such is necessary to carry on the business of the Department. Nothing in this section shall be deemed to bar the County Superintendent from establishing a work day of less than eight hours or a work week of less than 40 hours for all or any of its classified positions.

Classes of positions specified by the County Superintendent shall work a flexible schedule and shall be exempt from overtime in excess of either hours in one day, provided that hours worked in excess of 40 in a calendar week shall be compensated on an overtime basis as specified by State and Federal guidelines.

EVALUATION/SUPERVISION

The Tehama County Superintendent of Schools recognizes that appropriate supervision and regular, comprehensive evaluations can help employees to continually improve in the performance of their responsibilities. Evaluations shall be made in accordance with procedures specified in negotiated contracts and based on job-specific standards of performance.

The County Superintendent expects supervisors to gauge employees' on-the-job effectiveness and skills in a fair, objective, and consistent manner. Evaluations shall address the competence and care with which the employee executes his/her assigned responsibilities. As appropriate, evaluations also may address the extent to which the employee works cooperatively with others and observes school or Tehama County Department of Education rules and regulations.

The County Superintendent or designee shall ensure that evaluation ratings have uniform meaning throughout the Department.

Evaluations shall be used to recognize the exemplary skills and accomplishments of staff and to identify areas needing improvement. When the evaluation indicates areas needing improvement, the County Superintendent expects employees to accept responsibility and take initiative to improve their performance. The County Superintendent or designee shall assist employees in obtaining needed job skills.

The evaluation shall be dated and signed by both the employee and the supervisor.

The County Superintendent or designee shall ensure that classified employees have access to rules and procedures related to performance evaluations.

If there is a valid reemployment list they shall be ranked on that list in accordance with their proper seniority. (Education Code 45114, 45298)

LAYOFF/REHIRE (continued)

Upon rejecting two offers of reemployment, the employee's name will be removed from the reemployment list and he/she will forfeit all reemployment rights to which he/she would otherwise be entitled.

When an employee is notified of a vacancy and fails to respond or report to work within time limits specified by Department procedures, his/her name will be removed from the reemployment list and he/she will forfeit all reemployment rights to which he/she would otherwise be entitled.

Reemployment Procedures

Reemployment shall be in reverse order of layoff. (Education Code 45114, 45298, 45308)

In order to be reinstated, an employee must be fully capable of performing the normal and customary duties of the job. Employees whose physical condition is such that they cannot be reinstated at the time called for reemployment will be kept on the reemployment list until physically capable of returning to work or for a period not to exceed 39 calendar months.

When a vacancy occurs, the senior employee who has held prior permanency in the position shall be so notified by certified U.S. mail at his/her last known address and given the opportunity to accept or reject appointment into the vacant position. The employee shall advise the Department of his/her decision no later than 10 calendar days following notification. If the employee accepts, he/she shall report to work no later than two calendar weeks from the vacancy notification date or on a later date specified by the Department.

When a laid-off employee is reemployed, all accumulated sick leave credit shall be restored.

A laid-off permanent employee shall be reemployed with all rights and benefits accorded to him/her at the time of layoff. A laid-off probationary employee shall be reemployed as a probationary employee, and the time served toward the completion of the required probationary period shall be counted. He/she shall also be reemployed with all rights and benefits accorded to him/her at the time of layoff.

A laid-off employee, when reemployed, shall be placed on the salary step held at the time of layoff. An employee who bumped into a lower class shall, when reinstated to the previous class, be placed on the salary step to which he/she would have progressed had he/she remained there. An adjusted anniversary date shall be established for step increment purposes so as to reflect the actual amount of time served in the Department.

Termination of Probationary Employment

At any time prior to the expiration of the probationary period, the Tehama County Superintendent of Schools or designee may, at his/her discretion, dismiss a probationary classified employee from Tehama County Department of Education employment. A probationary employee shall not be entitled to a hearing.

Involuntary Suspension Without Pay, Demotion, Reduction of Pay Step in Class, or Dismissal of Permanent Classified Employees

Permanent classified employees shall be subject to personnel action (suspension without pay, demotion, reduction of pay step in class, dismissal) only for cause. The County Superintendent's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

1. Causes

In addition to any disqualifying or actionable causes otherwise provided for by statute or by policy or regulation of this Department, each of the following constitutes cause for personnel action against a permanent classified employee:

- a. Falsifying any information supplied to the Department, including, but not limited to, information supplied on application forms, employment records, or any other Department records.
- b. Incompetency.
- c. Inefficiency.
- d. Neglect of duty.
- e. Insubordination.
- f. Dishonesty.
- g. Drinking alcoholic beverages while on duty or in such close time proximity thereto as to cause any detrimental effect upon the employee or upon employees associated with him/her.
- h. Possessing or being under the influence of a controlled substance at work or away from work, or furnishing a controlled substance to a minor.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

- i. Conviction of a felony, conviction of any sex offense made relevant by provisions of law, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of his/her position. A plea or verdict of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction for this purpose.
- j. Absence without leave.
- k. Immoral conduct.
- l. Discourteous treatment of the public, students, or other employees.
- m. Improper political activity.
- n. Willful disobedience.
- o. Misuse of Department property.
- p. Violation of Departmental, Tehama County Superintendent of Schools or Tehama County Board of Education rule, policy, or procedure.
- q. Failure to possess or keep in effect any license, certificate, or other similar requirement specified in the employee's class specification or otherwise necessary for the employee to perform the duties of the position.
- r. Refusal to take and subscribe any oath or affirmation which is required by law in connection with his/her employment.
- s. A physical or mental disability which precludes the employee from the proper performance of his/her duties and responsibilities as determined by competent medical authority, except as otherwise provided by a contract or by law regulating the retirement of employees.
- t. Unlawful discrimination, including harassment, on the basis of race, religious creed, color, national origin, ancestry, physical handicap, marital status, sex, or age against the public or other employees while acting in the capacity of a Department employee.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

- u. Unlawful retaliation against any other Department officer or employee or member of the public who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on the job or directly related thereto.
- v. Any other failure of good behavior either during or outside of duty hours which is of such nature that it causes discredit to the Department or his/her employment.

Except as defined in item "s" above, no personnel action shall be taken for any cause which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the Department.

2. Initiation and Notification of Charges

The County Superintendent or designee may initiate a personnel action as defined herein against a permanent classified employee.

In all cases involving a personnel action, the person initiating the action shall file a written recommendation of personnel action with the County Superintendent. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The recommendation shall include:

- a. A statement of the nature of the personnel action (suspension without pay, demotion, reduction of pay step in class, or dismissal).
- b. A statement of the cause or causes for the personnel action, as set forth above.
- c. A statement of the specific acts or omissions upon which the causes are based. If a violation of rule, policy, or regulation of the Department is alleged, the rule, policy, or regulation violated shall be stated in the recommendation.
- d. A statement of the employee's right to appeal the recommendation and the manner and time within which the appeal must be filed.
- e. A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)3. Employment Status Pending Appeal or Waiver

Except as provided herein, any employee against whom a recommendation of personnel action has been issued shall remain on active duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver thereof.

If the County Superintendent or designee determines that a permanent classified employee should be dismissed and that his/her continuing in active duty status would present an unreasonable risk of harm to students, staff, or property while proceedings are pending, the County Superintendent or designee may order the employee immediately suspended from duty without pay in conjunction with the recommendation of personnel action. This suspension order shall be in writing and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance. Except in cases of emergency when the employee must be removed from the premises immediately, the County Superintendent or designee shall give the employee written notice of the proposed recommendation of dismissal at least five calendar days before the effective date of any order of suspension issued in conjunction with a recommendation involving dismissal. This notice shall state that immediate suspension without pay is being considered, the reasons for the proposed dismissal and proposed immediate suspension without pay, materials upon which the proposed action is based, and the employee's right to respond to the County Superintendent or designee orally or in writing before the final recommendation and order are issued.

4. Time Limit of Suspension

Except for a suspension imposed under #3 above, any suspension invoked under these rules against any one person for one or more periods shall not aggregate more than 90 calendar days in any 12-month period; however, this time limitation shall not apply to cases in which a personnel action of dismissal is modified by the County Superintendent to a suspension.

5. Right to Appeal

Within five calendar days after receiving the recommendation of personnel action described above, the employee may appeal by signing and filing the card or paper included with the recommendation. Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of appeal. A notice of appeal is filed only by delivering the notice of appeal to the office of the County Superintendent or designee during normal work hours of that office. A notice of appeal may be mailed to the office

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

of the County Superintendent or designee but must be received or postmarked no later than the time limit stated herein. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any appeal of the recommendation of dismissal shall also constitute an appeal of the suspension order, and the necessity of the order shall be an issue in the appeal hearing.

If the employee fails to file a notice of appeal within the time specified in these rules, he/she shall be deemed to have waived his/her right to appeal, and the County Superintendent may order the recommended personnel action into effect immediately.

6. Amended/Supplemental Charges

At any time before an employee's appeal is finally submitted to the County Superintendent or to a hearing officer for decision, the complainant may, with the consent of the County Superintendent or hearing officer, serve on the employee and file with the County Superintendent an amended or supplemental recommendation of personnel action.

If the amended or supplemental recommendation presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegation may be made orally at the hearing and shall be noted on the record.

7. Hearing Procedures

- a. The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the County Superintendent or hearing officer and the availability of counsel and witnesses. The parties shall be notified of the time and place of the hearing. The employee shall be entitled to appear personally, produce evidence, and have counsel. The employee shall be entitled to a public hearing if he/she demands it when the County Superintendent is hearing the appeal. The complainant may also be represented by counsel. The procedure entitled "Administrative Adjudication" commencing with Government Code 1150 shall not apply to any such hearing before the County Superintendent or a hearing officer. Neither the County Superintendent nor a hearing officer shall be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the County Superintendent.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

- b. All hearings shall be heard by a hearing officer (who shall be an attorney licensed in the State of California) except in those cases where the County Superintendent determines to hear the appeal. In any case in which the County Superintendent hears the appeal, the County Superintendent may use the services of Department counsel or a hearing officer in ruling upon procedural questions, objections to evidence, and issues of law. If the appeal is heard by the County Superintendent, the County Superintendent shall affirm, modify or revoke the recommended personnel action.
- c. If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the County Superintendent as the decision in the case. A copy of the proposed decision shall be received and filed by the County Superintendent and furnished to each party within 10 days after the proposed decision is filed by the County Superintendent. The County Superintendent may:
 - (1) Adopt the proposed decision in its entirety.
 - (2) Reduce the personnel action set forth in the proposed decision and adopt the balance of the proposed decision.
 - (3) Reject a proposed reduction in personnel action, approve the personnel action sought by the complainant or any lesser penalty, and adopt the balance of the proposed decision.
 - (4) Reject the proposed decision in its entirety.
- d. If the County Superintendent rejects the proposed decision in its entirety, each party shall be notified of such action and the County Superintendent may decide the case upon the record including the transcript, with or without the taking of additional evidence, or may refer the case to the same or another hearing officer to take additional evidence. If the case is so assigned to a hearing officer, he/she shall prepare a proposed decision, as provided in item "c" above, upon the additional evidence and the transcript and other papers which are part of the record of the prior hearing. A copy of this proposed decision shall be furnished to each party within 10 days after the proposed decision is filed by the County Superintendent.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

- e. In arriving at a decision or a proposed decision on the propriety of the proposed personnel action, the County Superintendent or the hearing officer may consider the records of any prior personnel action proceedings against the employee in which a personnel action was ultimately sustained and any records that were contained in the employee's personnel files and introduced into evidence at the hearing.

8. Hearing Decision

The decision of the County Superintendent shall be in writing and shall contain findings of fact and the personnel action approved, if any. The findings may reiterate the language of the pleadings or simply refer to them.

The decision of the County Superintendent shall be certified, and he/she shall enforce and follow this decision. A copy of the decision shall be delivered to the appellant or his/her designated representative personally or by registered mail. The decision of the County Superintendent shall be final.

9. Compulsory Dismissal

The Department shall not employ or retain in employment any person who has been convicted of any sex offense as defined in Education Code 44010 or any controlled substance offense as defined in Education Code 44011. However, the Department may employ a person convicted of a controlled substance offense if the County Superintendent determines from the evidence it requires that the person has been rehabilitated for at least five years. If any such conviction is reversed and the person acquitted or charges dismissed except as otherwise provided below, the employee may be reemployed by the Department, although reemployment is not a guarantee. (Education Code 45123)

The Department reserves the right to dismiss an employee for any acts upon which the original criminal charges were based, despite the disposition by the courts. If dismissal is recommended and upheld, an employee will not be reemployed or compensated for the time he/she was suspended unless otherwise required by law. An employee shall be given notice of the possibility of not being reimbursed during mandatory suspension if he/she is ultimately dismissed for the acts upon which the original charges were based.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

10. Extension of Compulsory Leave

The County Superintendent may extend an employee's compulsory leave of absence by giving him/her notice, within 10 days after the entry of judgment in the proceedings, that he/she will be dismissed in 30 days unless he/she demands a hearing. Employee compensation during the period of compulsory leave shall be made in accordance with law. (Education Code 44940.5)

**CODE OF ETHICS
CLASSIFIED EMPLOYEES**

School employees who are in daily contact with many phases of educational work should be persons whose conduct is beyond reproach and who sincerely believe in the advancement of education and the betterment of working conditions; therefore, the Tehama County Department of Education subscribes to this Code of Ethics as a standard for its members.

AS A SCHOOL EMPLOYEE I WILL:

1. Be proud of my vocation in order that I may use my best endeavors to elevate the standards of my position so that I may merit a reputation for high quality of service -- to the end that others may emulate my example.
2. Be a person of integrity, clean speech, desirable personal habits, and physical fitness.
3. Be just in my criticism and be generous in my praise; to improve and not destroy.
4. At all times be courteous in my relations with students, parents, teachers and others.
5. Be a resourceful person who readily adapts himself to different kinds of work and changed conditions and finds better ways to do things.
6. Conduct myself in a spirit of friendly helpfulness to my fellow employees to the end that I will consider no personal success legitimate or ethical which is secured by taking unfair advantage of another.
7. Associate myself with employees of other districts for the purpose of professional discussions and cooperating in the improvement of public school conditions.
8. Always uphold my obligations as a citizen to my nation, my state, my school district and my community, and give them unswerving loyalty.

Classified Personnel**SUBSTITUTE/TEMPORARY CLASSIFIED PERSONNEL**

Except for a retired annuitant who is not reinstated to the retirement system, any temporary or substitute employee who works for 30 or more days within a year of his/her employment shall be credited with 24 hours of paid sick leave for that year. Unused sick leave shall not carry over to the following year of employment. (Labor Code 246)

Any temporary or substitute employee may begin to use accrued paid sick days on the 90th day of his/her employment, after which he/she may use the sick days as they are accrued. (Labor Code 246)

A temporary or substitute employee may use accrued sick leave for absences due to: (Labor Code 246.5)

1. His/her own need or the need of a family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care.
2. Need of the employee to obtain or seek any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking.

No employee shall be denied the right to use accrued sick days and the department shall not, in any manner, discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging department violation of Labor Code 245-249. The Superintendent or designee shall display a poster containing required information, provide notice to eligible employees of their sick leave rights, keep records of employees' use of sick leave for three years, and comply with other requirements specified in Labor Code 245-249 and in AR 4161.1/4261.1/4361.1 – Personal Illness/Injury Leave.

Use of sick leave shall be reported prior to the start of your shift for which you have been scheduled to work or are being requested to work. Follow the supervisor's procedures for "notification" for the department for which you have been scheduled to work or requested to work for. It is the responsibility of the substitute/temporary personnel to ensure appropriate sick leave is available prior to submitting a sick leave request.

SUBSTITUTE SALARY SCHEDULE

The Tehama County Superintendent of Schools may employ a substitute employee to fill a position of a regularly employed person absent from service. The substitute salary shall be the beginning salary or bottom range for the appropriate position. Substitute personnel may be employed on an on-call, day-to-day basis. The County Superintendent may dismiss a substitute employee at any time at his/her discretion.

PERSONAL ILLNESS/INJURY LEAVE

Purposes of Leave

A classified employee may use personal illness or injury leave granted by the Tehama County Department of Education for the following purposes:

1. Absences caused by accident or illness, whether or not the absence arises out of or in the course of employment, or by quarantine which results from contact during the performance of the employee's duties with other persons having a contagious disease (Education Code 45199)
2. Absences due to pregnancy, childbirth, and recovery (Education Code 45193)
3. Cases of personal necessity as specified in Education Code 45207
4. Medical or dental appointments
5. Cases of industrial accident or illness when leave granted specifically for that purpose has been exhausted (Education Code 45192)
6. Illness of the employee's child, parent, spouse, registered domestic partner, or domestic partner's child, up to the amount of leave that would be accrued during six months for personal illness or injury (Labor Code 233)

Notification of Absence

An employee shall notify the Tehama County Superintendent of Schools or the designated manager or supervisor of his/her need to be absent as soon as such need is known so that the services of a substitute may be secured as necessary. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the Department. If the duration of absence becomes shorter than estimated, the employee shall notify the Department not later than 3 p.m. of the day preceding the day on which he/she intends to return to work.

Verification Requirements

After any absence due to illness or injury, the employee shall submit a completed and signed Department absence form to his/her immediate supervisor. An employee must verify an absence for a period of more than four days because of illness or injury by filing a statement from his/her physician certifying to his/her illness and ability to return to work.

PERSONAL ILLNESS/INJURY LEAVE (continued)

The County Superintendent or designee may, at any time, require additional written verification by the employee's physician or medical practitioner. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

The County Superintendent or designee may require an employee to visit a physician selected by the Department and at Department expense in order to receive a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the statement concludes that the employee's condition does not warrant continued absence, the County Superintendent or designee, after giving notice to the employee, may deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return and stipulating any recommended restrictions or limitations.

Verification requirements shall not discriminate against any employee on the basis of his/her religious practice.

Accrual of Leave

Any classified employee employed five days a week is entitled to 12 days leave of absence, with full pay, for personal illness or injury per fiscal year. An employee who serves less than a full fiscal year or fewer than five days a week shall be granted comparable leave in proportion to the time he/she works. (Education Code 45191)

An employee may take leave for personal illness or injury at any time during the year, even if credit for such leave has not yet been accrued. However, a new employee shall not be entitled to more than six days of such leave until he/she has completed six months of active service with the Department. (Education Code 45191)

Unused days of personal illness or injury leave shall be accumulated from year to year without limitation. (Education Code 45191)

At the beginning of each school year, each employee shall be notified of the amount of leave which he/she has accumulated.

PERSONAL ILLNESS/INJURY LEAVE (continued)

Upon employment with the Department, a new classified employee shall receive credit for any personal illness or injury leave accumulated in a previous school district, county office of education, or community college district if he/she left employment with that district within the previous year and had been employed by the previous district for at least one year. If the employee's previous employment had been terminated for cause, the Tehama County Superintendent of Schools may determine whether to accept the transfer of the accumulated leave. (Education Code 45202)

An employee who does not complete a given year of service shall be charged for any unearned personal illness or injury leave used as of the date of termination.

Extension of Leave

A permanent employee who is absent because of a personal illness or injury and who has exhausted all available personal illness or injury leave, vacation, compensatory overtime, and any other paid leave shall be so notified, in writing, and offered an opportunity to request additional leave. The County Superintendent may grant the employee additional leave, paid or unpaid, for a period not to exceed six months and may renew this leave for two additional six-month periods or for lesser periods. Total leave so granted shall not exceed 18 months. (Education Code 45195)

If the employee is still unable to resume his/her duties after all available paid and unpaid leaves have been exhausted, the employee shall be placed on a reemployment list for a period of 39 months. If during this time the employee becomes able to resume the duties of his/her position, he/she shall be reemployed in the first vacancy in the classification of his/her previous assignment. The employee's reemployment shall take preference over all other applicants except those laid off for lack of work or lack of funds, in which case the employee shall be ranked according to his/her seniority. (Education Code 45195)

Compensation

A classified employee who has exhausted all paid leave, including personal illness or injury leave shall receive his/her salary, minus the actual amount paid a substitute employed to fill the position during the employee's absence for the remaining days within a total five-month period of absence. (Education Code 45196)

The five-month period shall commence on the first day of the leave of absence and shall run concurrently with any other paid leave.

ATTORNEY GENERAL OPINIONS

53 Ops.Cal.Atty.Gen. 111 (1970)

INDUSTRIAL ACCIDENT/ILLNESS LEAVE

Leave of absence for industrial accidents or illnesses shall be provided to classified employees who have served in the Tehama County Department of Education continuously for at least three years.

In each fiscal year, allowable leave for any single industrial accident or illness shall be for 60 working days. (Education Code 45192)

Allowable leave shall not accumulate from year to year. (Education Code 45192)

When a classified employee is absent from his/her duties because of an industrial accident or illness: (Education Code 45192)

1. Industrial accident or illness leave shall start on the first day of absence.
2. Payment for wages lost on any day shall not, when added to an award granted the employee under the workers' compensation laws of this state, exceed the normal wage for the day.
3. Industrial accident or illness leave shall be reduced by one day for each day of authorized absence, regardless of a compensation award made under workers' compensation.
4. If an industrial accident or illness leave overlaps into the next fiscal year, the employee is entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.

Upon expiration of allowable leave for an industrial accident or illness, the employee shall use personal illness and injury leave as provided by Education Code 45191. If the employee continues to receive workers' compensation, he/she shall be entitled to use only as much of his/her accumulated or available sick leave, accumulated compensating time, vacation or other available leave as, when added to the employee's workers' compensation award, will provide for a full day's wage or salary. (Education Code 45192)

During any paid leave of absence, the employee shall endorse to the Department the workers' compensation checks received on account of his/her industrial accident or illness. In those cases, the Department shall issue appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement and other authorized contributions. (Education Code 45192)

When available paid leave has been exhausted, the employee shall be so notified in writing and shall be offered an opportunity to request additional leave. (Education Code 45192)

INDUSTRIAL ACCIDENT/ILLNESS LEAVE (continued)

When all available leaves of absence, paid or unpaid, have been exhausted and the employee is not medically able to assume the duties of his/her position, the employee shall, if not placed in another position, be placed on a reemployment list for a period of 39 months. If during this time the employee becomes medically able, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other available candidates, except for a reemployment list established because of lack of work or lack of funds, in which case the employee shall be listed in accordance with appropriate seniority regulations. An employee who has been placed on a reemployment list and has been medically released for return to duty, but fails to accept an appropriate assignment, shall be dismissed. (Education Code 45192)

Any employee receiving benefits under this leave shall, during periods of injury or illness, remain within the State of California unless the Tehama County Superintendent of Schools authorizes travel outside the state. (Education Code 45192)

During this leave, the employee may return to his/her position without suffering any loss of status or benefits. Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the employee. (Education Code 45192)

PROFESSIONAL LEAVES

The Tehama County Superintendent of Schools may grant a leave of absence of up to one year to classified employees for the purpose of permitting study or retraining the employee to meet changing conditions within the Tehama County Department of Education (Education Code 45381)

To be eligible for a leave for study purposes, the employee must have served in the Department for at least seven consecutive years preceding the leave, unless the leave is for purposes of retraining, in which case the employee must have served in the Department for at least three consecutive years. Sick leave shall not be deemed a break in service, except if it will not be included as service in computing service for the granting of any subsequent professional leave. (Education Code 45382)

No more than one such leave of absence shall be granted in each seven or three-year period. (Education Code 45382)

The County Superintendent may require that such leaves of absence be taken in separate six-month periods or in any other appropriate periods as long as the total leave is completed within three years.
