RETIREMENT SYSTEM

- Plan, organize, coordinate and manage the membership eligibility, calculations, auditing, and reporting requirements and payment of STRS and PERS.
- Ensure timely and accurate input, correction and auditing of retirement eligibility data; oversee the calculation of employer costs and deposits of contributions by established schedules.
- Attend meetings and trainings as appropriate to keep abreast of the requirements and upcoming changes.
- Coordinate workshops and training sessions for district payroll staff on proposed retirement law changes, the accurate input of source data, retirement membership criteria, computer use and the preparation of required records and reports.
- Provide technical assistance and expertise to department and school district personnel regarding retirement benefits and related issues; assist in resolving issues.
- Research, analyze and interpret legal codes, rulings, retirement requirements; maintain current knowledge of applicable regulations.

EDUCATION AND EXPERIENCE:

Any combination equivalent to:

- Completion of the 12th grade supplemented by four (4) years increasing responsible accounting support work; or
- At least two (2) years' experience at the Accounting Technician I level and an AA Degree in a related field, preferably accounting.
- Related college education beyond an AA Degree may be substituted for experience on a year for year basis. Accounting support experience beyond the requirement may also be substituted on a year for year basis for up to two (2) years of education.

KNOWLEDGE OF:

- Methods, procedures and terminology used in general accounting work.
- Financial and statistical record-keeping techniques.
- Preparation of financial statements.
- Modern office software, practices, procedures and equipment.
- Data control procedures and data entry operations.
- Operation of a computer and assigned software; especially spreadsheet and word processing applications.
- Oral and written communication skills.
- Interpersonal skills using tact, patience and courtesy.

ABILITY TO:

- Maintain confidentiality.
- Perform a variety of accounting duties.
- Maintain accurate financial and statistical records.
- Prepare, review, verify, and balance various financial records and documents.
- Assemble, organize, and prepare data for records and reports.
- Compare numbers and detect errors efficiently.
- Monitor and audit revenue and expenditures.
- Make arithmetic computations with speed and accuracy.
- Operate standard office equipment including a computer, calculator and applicable software.
