

TEHAMA COUNTY DEPARTMENT OF EDUCATION JOB DESCRIPTION DIRECTOR, BUSINESS SERVICES

DEFINITION:

Under general supervision, this position is responsible for planning, organizing, controlling and directing various aspects of business services in relation to Tehama County school districts and charter schools. The position provides advice, support and oversight to Tehama County districts in areas related to budgeting, Local Control Accountability Plans (LCAP), internal control procedures, accounting, legal issues and other finance-related matters. This position also provides important consultation with Administration on internal business matters when appropriate.

ESSENTIAL DUTIES AND JOB FUNCTIONS:

- Oversight of District budgets and financial reports in collaboration with LCAPs to proactively identify potential solvency issues and coordinate all district fiscal oversight activities related to AB 1200.
- Review and certify interim budgets and prepare recommendations of approval or disapproval for dissemination to the State and individual district's Board.
- Review districts' collective bargaining agreements required by AB1200 and make recommendations to districts if the multi-year impact on the district's economic uncertainties reserve shows the district below the State required amount.
- Attend State and Federal programs Director meetings.
- Provide financial and budget expertise on the TCDE LCAP Team to assess and analyze district budgets versus LCAP summaries to ensure compliance with regulations and also to ensure sufficient funds are appropriated.
- Assist Districts with Consolidated Application and Reporting System (CARS) applications.
- Prepare, maintain and monitor adherence to audit procedures. Serve as the district liaison for audits and submit to appropriate agencies as assigned; assist district in establishing internal controls needed due to an audit finding.
- Assist districts in preparing financial (revenue and expenditure) forecasts as well as enrollment and attendance projections; provide county-wide budget assumptions for the development on interim budgets and budget adoption; prepare revised revenue forecasts as needed; assist Districts with the review, comparison and analysis of actual revenues and expenditures for each budget period; advise/assist in the preparation of budget documents including cash flows, multi-year projections, and Board narratives.
- Assist districts in the annual closing process; review, compare and analyze revenues, expenditures, outstanding obligations and receivables; assist with preparation of budget revisions, make recommendations, and review district's ending balances.
- Effectively supervise and evaluate Business Services staff in coordination with Director, Internal Fiscal Services and the Assistant Superintendent of Business Services.
- Review, interpret and communicate legislative laws, Education Code, and other legal issues to school district administrators and staff, and County Office administrators.
- Serve as a resource for the coordination of staff development of district staff in the use of computerized financial systems, account code system, accounting procedures, attendance accounting, AB 1200 compliance, tracking long-term debt and other financial and business-related matters.
- Monitor various fiscal activities including the audit of district payroll, pre-payment audit of commercial warrants and related processes, cash transfers between school district funds or between ledgers, preparation of loans between district's funds or ledgers, financial reviews, deferred maintenance program reviews, and other diverse activities.
- Provide technical expertise, information and assistance to the Assistant Superintendent of Business Services regarding assigned functions; assist in the formulation and development of policies, procedures and programs.
